UNEVOC-UNESCO

UNESCO's designated centre for technical and vocational education and training (TVET), UNESCO-UNIVOC supports Member States in their efforts to strengthen and upgrade their TVET system. TVET is focused on the acquisition of knowledge and skills for the world of work, and helps youth and adults develop the skills needed for employment, decent work and entrepreneurship while supporting inclusive and sustainable economic growth.

UNESCO-UNIVOC promotes increased opportunities for productive work, sustainable livelihoods, personal empowerment and socio-economic development, especially for youth, women and the disadvantaged, through UNESCO. UNESCO is the United Nations Educational, Scientific and Cultural Organization. It seeks to build peace through international cooperation to the achievement of the Sustainable Development Goals defined in Agenda 2030, adopted by the UN General Assembly in 2015. It is one of the 15 specialized agencies reporting to the United Nations Economics and Social Council (ECOSOC), which is the primary body responsible for coordinating all the economic, social and related work of the United Nations.
