## **COMMANDER'S MESSAGE**

We have just finished the new floor in the kitchen and have also painted the walls. This is the final portion of the floor project. Thank you to all of the volunteers who helped with this much needed improvement to our Legion. Also thank you to all of the individuals and organizations that contributed to the project. We have also put some new siding on the front of the building to replace paint that was peeling off. Last but not least call a Veteran to say hello and see how they are doing!

I hope everyone has a very Happy New Year!

Don Bruna, Commander, American Legion Post #163
