### PLAY TOP GOLF COURSES IN EUROPE

#### PANNONIA COUNTRY CLUB Budapest, Hungary

The 18-hole golf course of Pannonia Golf & Country Club was designed by the famous Austrian course designer Hans G. Erhardt. The golf course lies in a valley so the varied forms of its fairways provide a great golf experience. Lakes come into play at 8 holes and pin placements may also present a challenge at the hilly greens. With 6 different tee-boxes, both beginners and advanced players can get a true and fair idea of their golf skills.

#### PENATI COUNTRY CLUB Senica, Slovakia

The Penati Golf Resort boasts 2 world class golf courses, and the Legend, designed by Jack Nicklaus has also hosted the European PGA Challenge Tour on numerous occasions. It also boasts the longest hole in European Tour competition, a massive 787 yard par 6 from the tips. However with 6 tee boxes to choose from, the course is still playable for all levels. The quality of maintenance and customer experience is great, and makes a days golfing a blast.

#### GOLF CLUB ADAMSTAL Ramsau, Austria

Without a doubt one of the most beautiful golf courses in the world, and not only according to Golf Digest! This Jeff Howes design is truly a masterpiece. Situated amidst the impressive scenery of the alpine foothills, Golf Club Adamstal is a true jewel—from the well-tended greens and fairways to the clubhouse. The magnificent 19-hole golf course perfectly blends into the high forest, far away from the stress and noise of city life providing a place to feel at peace.

#### QUELLNESS GOLF RESORT Bad Griesbach, Germany

This championship course, created by former Masters champion Bernhard Langer, was awarded a "world class" rating within one year of opening. The 18 holes in Penning, right beside the Porsche Golf Course, do indeed pack a punch. They don't hold back when it comes to challenges, but also offer sufficient opportunities for some serious success.

#### PGA NATIONAL OAKS PRAGUE GOLF CLUB Prague, Czech Republic

Designed by Kyle Philips, the PGA National is the first of its kind in the Czech Republic. An absolute stunning track, and destined to rise into Europe's great courses. Even 2 years after its opening, it already commands an impressive 77th in Europe. Philips other courses, Bernardus, Lage Vuursche and The Links in Sweden are already cemented in the top 50.
