Work Experience

◆ **Customer Service Assistant – Dan Kinney Family Center** 2023 - Current

Provide excellent customer service at Dan Kinney Family Center including front desk operation, program registration, selling memberships, utilizing a point-of-sale system, and creating an organized environment.

◆ **Simulation Actor – OTC Center for Excellence in Medical Simulation** 2020 - Current

Work in support of the OTC Simulation Center to independently, consistently, and accurately portray specific emotions, behaviors, and disease symptoms while interacting with various prospective medical students for training and qualifying students for real life expectations and medical procedures.

◆ **Media Producer – Faith Life Church Kids Department** 2020 – Current

Work with Faith Life Church Children’s directors to create and produce virtual children’s lessons for members to view and utilize, while gathering necessary materials and equipment for video storytelling as well as guiding and leading other members to a common creative goal.

◆ **Freelance Videographer, Photographer, Media Editor** 2016 – Current

Produce effective storytelling and marketing through videography and photography. Find and connect with clients to discover creative plans for their products and services, while assembling and editing to meet client’s visions and needs in a timely manner.
