

Calling all runners and walkers!

Join Team Giraffe for the Brussels 20km run/walk on 28 May 2023
and raise funds for sending children from the slums of Nairobi to school.

The Giraffe Project Children's Charity

The Giraffe Project provides education for the very deprived children in the slums of Nairobi, Kenya. Our aim is for these children to break the poverty cycle and become established and productive citizens. We sponsor children in schools (from primary and secondary all the way to college and university) and run projects to create a better learning environment (e.g., by building classrooms, setting up labs and libraries and providing computer equipment).

The Brussels 20km run/walk

You probably heard about it. For details and some great pictures, have a look at

We need you!

The Brussels 20km is an important fundraising event for the Giraffe Project.

By running/walking and fundraising with the Giraffe Project team, **you can help in two ways:**

1. You pay a special starting fee (€70/€40 for students), of which a portion benefits the Giraffe Project.

2. You get your friends and relatives to sponsor your run/walk by collecting donations to the Giraffe Project. Once you have signed up with us, we will set up your fundraising account that you can share with your network.

Practical details:

- Volunteers for the Giraffe Project register each runner with the organisers of the Brussels 20km upon receipt of the starting fee from the runner.
- Giraffe runners receive a special top so that they can be distinguished from other runners.
- The team meets up near Mérode in the morning of the run and again after the run for photos.
- More details to follow closer to the event.
