

Giraffe Project Christmas appeal 2022

Give a gift that lasts a lifetime

Attending school is a matter of course for children in many parts of the world.

For children growing up in the slums of Nairobi, it is **a privilege**.

The Giraffe Project Children's Charity aims to provide a first-class education for the very deprived children in the Nairobi slums, from primary school through college or university. We want these children to break the poverty cycle and become established and productive citizens.

Will you help us achieve this goal?

When entering boarding school, each child needs a so-called '**starter pack**' – a collection of items and necessities for daily life at school (uniforms, stationery, bedding, toiletries, etc.).

With this year's Christmas appeal, we are collecting funds to **buy starter packs for 33 of our students who will enter boarding school in January 2023**. One starter pack costs around 275 EUR (£240), but any amount is welcome – together we can equip our new students for a successful start of their school career!

You can donate via our JustGiving page at

<https://www.justgiving.com/campaign/schoolstart2023>

Scanning the QR code will take you right there.

Or why not sponsor a child on a regular basis?

Our monthly sponsorship rates for 2023 are as follows:

	£	EUR	US\$
Primary school	30	35	35
Junior high school	40	46	46
High school*	70	80	80
College / University*	70	80	80

Please contact us at sponsorship@giraffeproject.org for more information,

or visit our website: www.giraffeproject.org

We would like to thank all our regular sponsors and donors for your continued support in 2022. This means a lot to us, and even more to the sponsored children.

The team at Giraffe Project Children's Charity

**MERRY
CHRISTMAS**
