

When Children Won't Eat: Picky Eaters versus Problem Feeders

Assessment and Treatment Using the SOS Approach to Feeding

This conference is designed to help professionals assess and treat children with feeding and growth problems using the SOS Approach to Feeding. The Sequential Oral Sensory (S.O.S) Approach to Feeding workshop is a trans-disciplinary program for assessing and treating children with feeding difficulties and weight/growth problems from birth to 18 years. It integrates posture, sensory, motor, behavioral/learning, medical, and nutritional factors to comprehensively evaluate and manage children with feeding/growth problems.

When: 17th-20th March 2018

Where: Hilton Hotel, 380 Kensington High St, W14 8NL, London

Time: 8am-5pm (17th-19th March)
8am-3.15pm (20th March)
