## **APPOINTMENT ONLY**

until further notice

Our office is now open, but due to the Covid-19 Pandemic, Reservations are temporarily being provided by appointment only. Please call 870-269-5900 or email [office@pinewoodcabins.net](mailto:office@pinewoodcabins.net) in advance to schedule. We are also restricting the amount of face to face interactions by providing a contactless means to retrieve keys and necessary check-in paperwork for your stay with us. We have prepared a secured deposit box outside our main office that will allow you access to your check-in packet with appropriate safety protocols in place to reduce the risk of the transmission of the virus. We're always happy to help you and are doing our best to create measures that will insure your safety during your stay with us. As always, for emergency issues we ask that you contact 911 and to follow up with our after hours number at 870-214-9345 to keep our staff updated on unexpected complications.

Thank you for choosing Pinewood Cabins.

We apologize for the inconvenience
