

Everett Anderson

BIO

Everett Anderson is a well-rounded, upcoming actor that has shown his talent in a few local plays and films. At the age of nine, Anderson, along with his brother, did small improv skits which helped to influence his love of acting. His friends and family encouraged him to pursue acting. In addition to doing theatre in high school, He majored in Computer Engineering in college. By 2010 Anderson started his very own Photo Presentation company called "Minnen", which is Swedish for "memories". Which focused on only "photo slideshow presentations" but is now specializing in Photography, Videography and Film Making. Because Anderson has a passion for story telling as well.

Humbled and seeking to reach his many goals; Anderson plans to continue acting to reach his overall potential while enhancing his skills behind the scenes while cultivating his production company, now known as "Minnen Media", because he believes opportunity doesn't only knock, it can be created.
