## BOX TOPS & COKE GIVES

Thank you to all who helped us boost our Boxtop earnings this past week with the Unlock Brighter Futures bonuses. We went from \$90 to \$1260 in just 7 days! Unlock Brighter Futures is still working but you will no longer win bonus boxtops quite as often. I still encourage you to use one of the following codes: 00-96-25, 12-43-95, 59-44-93 or 93-83-03 each day. You can still try 20 times a day and can still win. I won 10 today and my sister won 20 yesterday. These amounts will still add up! If you aren't familiar with this promotion and want to help, please e-mail me and I'll get you going. The promotion lasts until November 31. And don't forget to scan your receipts when you grocery shop! You might be surprised how many boxtops you get!

Don't forget to send your Coke codes in with your students! Please make sure that the container/baggie that you have them in have the student's name and grade on it so I can give credit to their classroom and to them for our drawings. We have some great prizes this year including 2 Fire tablets! Don't drink any Coke products? Ask friends, neighbors and family to collect for you. Do you know someone that fills Coke machines somewhere maybe? Ask them to save the codes from the cartons. Do you work where there's a coke machine with bottles? Set up a small container to collect the caps. It's also worked well for relatives out of town to just write the codes on a piece of paper and e-mail or send them to you. There are all sorts of ways you can participate! Any questions? Contact Norma at [turnnorm@cableone.net](mailto:turnnorm@cableone.net).

## CLUBS & ACTIVITIES

After-school clubs start next week! Students participating in clubs will be checked into the Modular C building at 3:00 pm. This is also where you will pick up your students. Fees for club participation are \$20 dollars per student, per club. Students attending after-school care outside of club time will be billed \$3.15 per hour on a monthly basis. Please contact the office if you would like to sign up your student(s).
