#### Birdland:

Do you like excitement and adventure? How about nature and animals? If you answered “yes” to any of these questions then you must read on!

Birdland first opened its doors to the public in 1991 and was run as a family business by Richard Gray, his wife and children. Throughout the last two decades the park has grown in size and a children’s farm and aquarium have been added. It now covers over one hundred hectares of land and is located in the leafy county of Surrey.

There are always lots of daily events to add to your enjoyment of Birdland. Why not check out our website to plan your day in advance?

Birdland is so much more than a bird park, but of course our birds are still the stars of the show! A visit to our fabulously entertaining bird show, “Parrot Paradise” is an absolute must.

You can visit many other fun attractions inside our park such as “Penguin Palace”, “and “Eagle Exploration”. When you’re tired from all that sightseeing, take a trip to the adjoining “Turtle Tea Centre”. It is great for all ages; a delicious selection of sweets and cakes are always on offer as well as a large, warm and dry giftshop to browse when it rains so don’t let the weather stop you!

Our child-friendly farm is one of the most popular areas of the park, especially with our younger visitors. The farm is an area where many of the animals roam freely amongst the guests. From cows, pigs and ponies, to ducks, rabbits and sheep, we have everything you’d expect to find in a lovely farmyard setting. Parents can sit back, relax and enjoy a cup of tea whilst the children play amongst our friendly animals that love being petted.

Birdland has won the prestigious “Best Family Activity Park” award for the last three consecutive years. We also received outstanding feedback from our visitors where nine out of ten participants in the survey stated that they will return in future.

Birdland is a place full of fun, excitement and adventure! Why not visit us for a memorable family day out? Book now online to receive a 20% discount. We look forward to seeing you soon!
