Our Mission: Happy Tails Dachshund Rescue is a 501c3, non-profit organization consisting of dedicated rescue volunteers who love the Dachshund dog breed. Our mission is to save as many Doxies from euthanasia, abuse, or abandonment and to adopt them into as many loving, forever homes as possible.

Please note: Adopting an animal is a big decision & a lifetime commitment, so please help us in making a successful adoption! This information will help us in selecting the animal we believe will be a good match for you & your family.

The average age of a rescue is between 3 - 7 years of age and all rescues will be spayed/neutered before adoption. Dachshunds frequently live 16 - 18 years. If you prefer a younger Dachshund, your wait may be slightly longer. Dachshunds will more than repay you with a lifetime of loyalty.
