Dear Los Olivos Community,

Los Olivos School Foundation is proud to announce our summer fundraising campaign, **Keep Our Spartans Strong**. Due to gathering restrictions, we were unable to hold our annual LO+CAL Field Feast, thus unable to raise the funds desperately needed to provide enrichment programs to Los Olivos School students. We're running a summer-long campaign, asking both community members and those visiting our community to contribute. Local businesses will host donation jars and window posters. We have some fantastic incentives you'll be sure to display proudly.

For more information, please visit our website or text SPARTANSTRONG to 44321 to contribute.
