*Thank you for your cooperation in keeping all guests safe and happy while enjoying Drakes Ridge!*

**Dogs are only allowed at Drakes Ridge when on a permanent site and the following rules are kept**

- 1. Dogs are not allowed in common areas such as the Clubhouse, check-in areas, swimming, sunbathing and other recreational areas.**
- 2. All dogs must be kept on a fixed-length leash—not to exceed 8’—when not inside their owner’s Drakes Ridge quarters.**
- 3. Please do not allow your dog to visit your neighbor’s site.**
- 4. You may walk your dog on any road, driveway or trail, if he or she wears a leash.**
- 5. Pick up after your dog wherever necessary, including your own site.**
- 6. To maintain the safety and serenity of Drakes Ridge, you must keep your dog quiet and make sure they don’t bark repeatedly or show aggressive behavior. (If there are concerns, you may be asked to stay on our permanent site with your dog or remove it from the grounds.)**

**★ Service Dogs may accompany their person in a limited capacity. Please call Drakes Ridge for details.**
