Coronavirus / COVID-19 & a Natural Defense

- "Influenza (the flu) is easier to pick up and there are far, far more cases," said Dr. Alan Taege, an infectious disease physician at the Cleveland Clinic. "It's already much larger than coronavirus has been so far in the whole world, in our own country alone."
- CDC estimates that **14,000 - 36,000** deaths from the flu between Oct 1, 2019 and Feb 8, 2020 - **10 TIMES # of deaths in China from Coronavirus (2118)**. **at least 19M have caught the flu & estimated 180K were hospitalized. As of 2/20/20 Only 15 confirmed cases of coronavirus in the US, 74,576 in China where 3900 are critical and 2118 died. A natural solution for the flu & other viruses is here!**
- Antibiotics are useless against virus & flu vaccines often ineffective
- Best viral defense of my 2-decade career, I "hit it hard" at onset
