THE QUIVER

KEEPING MEMBERS ON TARGET

Indoor season is underway, the 3D course has a new layout, and we're already looking ahead to spring events! Here's what's happening around Algonquin Archers this month.

October Meeting Recap

🌲 Property Update

- 3D Course: The course has been renumbered, starting to the right of the building near the birdie. Targets 18–20 are located at the platform.
- Woodshed Repairs: Members approved replacing the container's damaged flooring to eliminate a trip hazard.
- Outdoor Targets: Large targets will remain out as long as possible but will be stored, along with the curtain, by Thanksgiving.
- Clubhouse Reminder: As indoor season begins, please remember to turn off lights and close doors and windows before leaving. New reminder signs are coming!

Please notify Dave Wilkinson of any 3-D target damage or shot out mid sections around property
