### **About Education.org**

Education.org is an independent non-profit foundation working to advance evidence and improve education for every learner. Its mission is to build resources for education leaders by synthesising and translating an inclusive range of evidence, and to enable these resources to be used by those who make education happen by building bridges between knowledge actors, policymakers and practitioners. Established in 2019 and registered in Zurich, Switzerland, the foundation is supported by a visionary co-investor collective and is growing partnerships across governments, agencies, NGOs, universities, businesses and foundations in Africa, Middle East, Europe, and North America. For more information and to participate in this endeavour, visit [Education.org](https://www.education.org).
