

# W.A.S.T.E Community Outreach Academic Support Program

## Executive Summary

W.A.S.T.E Community Outreach proposes an innovative academic support program designed to empower students in middle school, high school, and community college. The program will bridge the gap between students and essential supplemental services, connecting them with local tutoring centers, schools, and community colleges. By providing tutoring services, academic and career support mentorship, and college tours, we aim to enhance academic performance, promote career exploration, and increase college enrollment rates.

## Program Goals

- **Improve Academic Performance:** Enhance students' grades and standardized test scores.
- **Provide Career Guidance:** Offer mentorship and counseling to help students explore career paths.
- **Increase College Enrollment:** Encourage and support students in applying to and enrolling in colleges and universities.
- **Build Strong Community Partnerships:** Collaborate with local schools, tutoring centers, and community organizations to provide comprehensive support.

## Program Components

1. **Tutoring Services:**
  - Provide one-on-one and group tutoring sessions in core academic subjects (math, science, English, and history).
  - Partner with local tutoring centers and schools to offer flexible and accessible tutoring options.
2. **Academic and Career Support Mentorship:**

- Assign dedicated mentors to guide students through academic challenges and career decisions.
- Offer workshops on study skills, time management, and test-taking strategies.
- Provide guidance on college application processes, financial aid, and scholarship opportunities.

### **3. College Tours:**

- Organize college tours to local four-year institutions to expose students to different campus environments and academic programs.
- Provide information on admissions requirements, financial aid options, and campus life.

## **Funding Request**

We are requesting [Amount] in funding to support the implementation of this program. The funds will be used to:

- **Hire and train tutors and mentors.**
- **Provide stipends for participants.**
- **Cover the costs of tutoring materials and resources.**
- **Fund transportation and lodging for college tours.**
- **Support administrative costs, such as office space, equipment, and supplies.**

## **Expected Outcomes**

- Increased academic achievement for program participants.
- Higher college enrollment rates among program participants.
- Improved career readiness and future opportunities for program participants.
- Stronger partnerships with local schools, tutoring centers, and community organizations.

## **Conclusion**

The W.A.S.T.E Community Outreach Academic Support Program is a vital initiative that will have a significant impact on the lives of young people in our community. By providing comprehensive academic support and guidance,

we can empower students to reach their full potential and achieve their educational and career goals.
