Addison Mackenzie Suit

Collab Statement

This striking, sophisticated, size-inclusive collection is for the versatile woman with a casual edge. J. Crew and Henning's target customers are middle to upper class professionals who deserve a tailored and figure flattering look that feels smooth yet stiff to achieve an elegant structure.

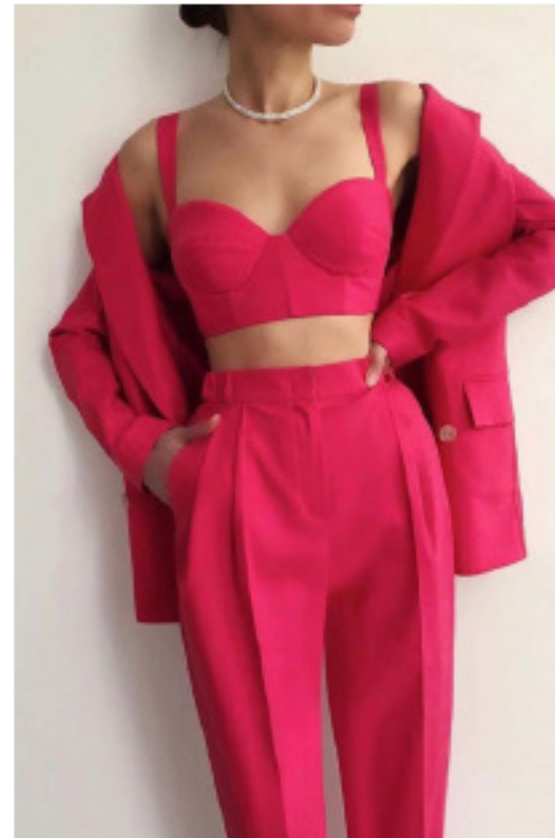

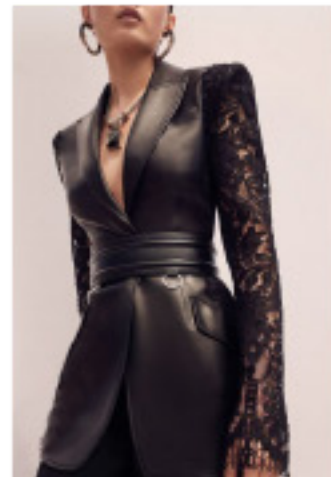

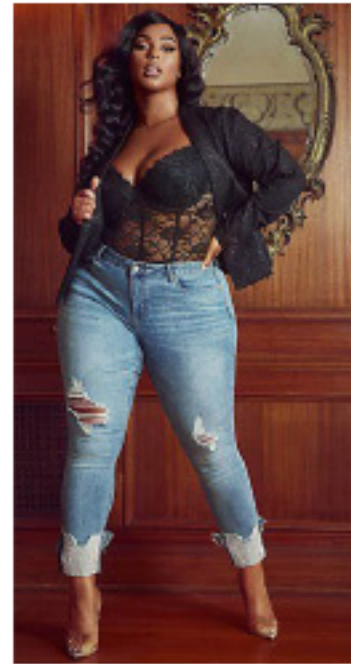

J.CREW

J. Crew is a specialty retailer, rooted in creating timeless stylish pieces by combining comfortable neutrals with creative patterns to elevate your wardrobe to the next level.

HENNING

Henning is an up and coming luxury brand, founded on the necessity for high quality, sophisticated closet staples for the sharp fashion-forward plus-sized woman.

Conclusion

The brand Henning by Lauren Chan is a contemporary luxury brand that was created to provide stable closet pieces for plus size women. J. Crew is a relatively size inclusive brand that strives to take classic signature silhouettes to the next level, making their cohesive missions the perfect collaboration for women who know they deserve to feel powerful in clothing that supports their aspirations.
