### ADOPT A SENIOR PET MONTH

## PET OF THE MONTH

**Mr. Mister**

Mr. Mister originally came to the shelter last spring.

He was immediately adopted by someone who drove across the state to meet him. Sadly, his owner can no longer care for him and has asked us to find a good home for Mr. Mister. The poor guy is confused about why he is back where he started.

We have promised him that we will find a forever home for him as soon as possible. He is a very sweet boy and is very friendly. If you would like to give Mr. Mister a forever home, please go to [our website](#) to fill out an application and schedule a time to meet this sweet boy.

## WHAT ARE YOU THANKFUL FOR?

As we enter the season of Thanksgiving, it is a perfect time to express our sincere gratitude to the many adopters, donors and volunteers who support Crestwood Animal Shelter. Simply put, we would not exist without your support.

And with that in mind, we would like to know what or whom **you** are grateful for. During the week before Thanksgiving – **November 15-21** – you can make a \$5 (or more!) donation to the shelter via Paypal on behalf of someone that you are grateful for. In the comments section, tell us whom you appreciate, whom you'd like to remember, who has been helpful to you, or whom you admire, and we will let them know. You can remain anonymous, or you can shout it out to the world – your choice! We will publish all of your gratitude in our December newsletter, as well as on our Facebook page.

## Turkey and Sweet Potato Dog Treats

### Ingredients

1/2 cup PLAIN mashed, cooked sweet potatoes  
3/4 cup water  
1 egg, lightly beaten  
2 cups finely chopped, cooked turkey or chicken  
2 cups whole wheat flour

### Instructions

Preheat oven to 350°F.

In a medium bowl, combine sweet potatoes, water, and egg, stirring until thoroughly incorporated. Add chicken and flour and stir again until combined. Batter will be very thick and sticky.

Use a rubber spreader to spread the dough evenly onto a parchment-lined baking sheet to form a rectangle (approximately 10" x 14") at about 1/2" thickness.

Use a knife or pizza cutter to score the dough into rectangles of whatever size you'd like.

Bake for about 30 minutes, until the dog treats are lightly golden brown.

Cool completely and then break along the score lines or use a knife/pizza cutter to cut along the score lines. Store in the refrigerator or (for longer storage) in zippered freezer bags in the freezer (thaw before serving).

## ♥♥♥ LOVE STORIES ♥♥♥

### TWO CATS, ONCE STRANGERS, ARE NOW BEST FRIENDS

Heihe and Dory

The real love story here is between my older cat, Heihe, and Dory, who I adopted at Crestwood Animal Shelter. Heihe was making it clear when I got home from work every day that she needed some company, so I found Crestwood Animal Shelter and decided to get her a friend.

When I got there I said hi to all the adorable cats! I knew I needed to find someone that would keep Heihe entertained. Dory caught my attention, so I picked her up and she was so comfortable letting me hold her! I got to spend a few minutes holding her before she decided it was time to run around and play. I thought she was the perfect balance of friendly and playful for Heihe (and me, since I love cat cuddles!).

Despite Heihe's begging for a friend she was not a fan of Dory at first, but Dory didn't mind at all! She would try to play with Heihe and talk to her while Heihe hid under the table. I theorize that because Dory doesn't have a tail, she couldn't communicate with Heihe which caused concern. However, it only took a few days for Heihe to see that Dory loved her!

They can now often be seen cuddling with each other or grooming each other. It is so sweet and I know I found the perfect cat for the two of us! -- Bree S.
