Big Retail: B2B & B2C

Copyright (c) Katzscan Inc. www.katzscan.com 0 - Big Retail Ready Introduction 13

Why Go Big Retail B2B/B2C Fulfillment?

- More product exposure
- National / regional product coverage
- Sales growth
- Add new products
- Beat your competition
- Fulfill your wildest dreams

If the retailer has to touch your goods, you will have supply chain requirements and financial penalty ("chargeback") infraction concerns.

And this is why you need this course.

Is Big Retail B2B/B2C Right For You?

- ✓ Start with a marketplace
- ✓ Test products and their features
- ✓ Learn how to be a bigger business
- ✓ Grow a customer base

- Amazon Marketplace
- Any retailer marketplace
- Etsy
- Faire
- Mall kiosk

This course will help you to answer this critical question!

Copyright (c) Katzscan Inc. www.katzscan.com 0 - Big Retail Ready Introduction 23

End-to-end execution is everything!

- We live in a commoditized world.
- You want your competition's business.
- Your competitors are hungry for your business.
- Disruption is a supply chain relationship destroyer.
- You – the retail vendor – own all of this.

Don't be the disruptive partner in the vendor-retailer relationship!
