Artist of the Month July 2026
James Bower

Congratulations on being Artist of The Month.

James Bower: I started drawing around the age of ten using pencils and grocery bags for paper. I guess I got it from my mother who did drawings and paintings. I took Art all through school. During High school I started a correspondent's course from Norman Rockwell's Famous Artist School. I never got to finish it because I went to the Military 10 days after I graduated. Basically, I am self-taught, I watch videos and ask questions and advice from other Artists. I really didn't get back into Art until I retired in 2017. I've Painted with Watercolors, Acrylic's, and Oil. I now work with Graphite pencils, Colored pencils and trying some pastels.

Trip Coordinators Jim and Lou Padgett announced there will be trips coming up in September and October. There are no summer trips. One of the trips in September or October will be to the Amazon warehouse to check their robotics. Details are forthcoming.

President James Bower then went over the final details for the upcoming art show on June 27 at the court building. He asked for volunteers and reminded everybody that it is imperative for everyone in the league to support the art show. (this is always a fun event, looking forward to it.)
