Artist of the Month August 2026

Sandi Berman

Congratulations on being Artist of The Month.

Sandi Berman: I began, well before Covid, painting with oil but recently started enjoying water colors. I was entranced with some of the short videos of painters doing flowers with water colors. It was restful and very Zen for me. Now I find myself looking at every flower as if I were going to paint it right then. I'm grateful to all the teachers and students that have encouraged me for the last few years. The students in my class continue to inspire and encourage me, also. I learn from them as well. I'm a better gardener, too, because I'm trying new plants to watch as they grow

E -mail Mick Dorsett at mick_dorsett@yahoo.com for suggestions, additions or corrections. You can also call me at 713-410-5201. I welcome any and all comments!
