Dear Local Business and Committee Members,

The Shaun Rocco Foundation is a local 501(c)(3) organization servicing the WNY community. The Foundation's mission is to promote and raise Mental Health Awareness and Suicide Prevention, with a focus on young adults and families in our community. We achieve this mission by helping and supporting local Mental Health and Suicide Prevention Organizations within our community. Due to the success of our events/fundraisers, we have started a Suicide Survivor Support Group, working in partnership with Niagara County Mental Health Association. Currently, we are working on creating other support groups to benefit our community.

The Shaun Rocco Foundation is coordinating our 4th Annual Pass the Rocc Basketball Tournament on Saturday, September 16th, 2023, at Pro Training Basketball (875 Eggert Dr North Tonawanda, NY 14120). This event is a staple for our organization and participants and includes the 3 on 3 basketball tournament, a basket raffle, and food/refreshments.

Our basket raffle is one of the key contributors to the success of event. The raffle is held online and in-person at the event, with the online raffle starting in July.

Would your company consider donating a basket or gift card? This contribution would help make our online and in person basket raffle a great success.

To help us be able to create the online raffle, we are requesting to receive donations by 06/30/2023. We welcome any support and donations you can provide.

Please consider joining our mission to promote and raise Mental Health Awareness and Suicide Prevention.

We welcome any questions that you may have. Thank you in advance for your support.

Sincerely,

*Diane Brazell*

Foundation President
