Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Alyssa Wohlwend

These last several months have been busy for the Prescott congregation. Normal services have continued, with a short time of shutdown due to Covid, along with many different venues for outreaching. Amidst all that, the Prescott Congregation has mourned the loss of our Founding Pastor, Wayman Mitchell.

Pastor Wayman Mitchell went to be with the Lord on September 21, 2020, just over 50 years after he founded our fellowship.

There are so many things that could be said about our Pastor - his faithfulness, his leadership, and the vision he had for people - and there is no doubt that Pastor Wayman Mitchell kept the main thing the main thing until the very end.

I personally am grateful to have had the privilege of growing up underneath the ministry of Pastor Mitchell, and having the opportunity to watch his example of leadership. It's a huge reference point for me to have been able to watch his faith lived out, as I would see him every day in morning prayer, regardless of where he had returned the night before from preaching all over the world.

I think about the life Pastor Mitchell lived, and the vision and passion given to him by God, which has been successfully transmitted to thousands of men and women all over the fellowship.

Our job now is to continue to replicate that same vision. The motto of our fellowship is "Changing Lives, Making Disciples, and Reaching the World," and Pastor

Mitchell gave his life to making this not just a slogan, but a reality.

This is the vision we have a part in carrying out, to the ends of the earth.

Here in Prescott, we have been continuing our normal outreaches, and contending for fruitfulness. We have been doing weekly concerts under the stars in a local park, and we've seen great impact on our community. Every week we have seen families and visitors come out and respond to the Gospel.

One of the disciples in our church, Kasey Breu, set up an outreach in a new location in Prescott Valley, eight miles east of Prescott. As we started setting up for the outreach there seemed to be a birthday party being set up across the park from us. As it turned out it was a birthday party, but the birthday girl wasn't there. It was a party set up in remembrance for a young girl who had overdosed on Heroin.

As this young group of kids was there, celebrating the life of a friend who had passed away, they listened to us share testimonies of what Jesus Christ has done in our lives, and they heard the hope of the Gospel being proclaimed.

Judy Block, a faithful saint in the church, and a teacher in our community, approached the group to witness to them. Several of the kids in that party had been students of hers, and they listened as she shared with them the hope of Jesus Christ and the promise of new life eternal. Several of the young girls prayed with Judy that night to give their lives to Christ.

This year was also the first time in a long time that we were unable to hold our usual Haunted House due to Covid-19 restrictions. Instead, we set up a Family Fun Day in the park with games, puppet shows and music. Throughout the

day more than 100 visitors came through. As the gospel was proclaimed through songs, testimonies and altar calls, and personal connections, we saw eight people give their lives to Christ.

We had the opportunity to send an Impact team to our brand new pioneer work in Goodyear, AZ. Caleb and Ariel Sawyer were launched out of our January 2020 conference, and as they are beginning this new work they have been holding home Bible studies and evangelizing.

More than 30 people from our church were able to take part in this Impact Team. They met in a large park where Caleb has been frequently outreaching, and impact was made as we were able to witness and pray with 14 people, and saw two notable miracles of healing. It was a blessing to help out our new work, and to see the vision of our fellowship being carried out.

What an exciting time we live in, as we look forward to the soon return of Christ!

And as we wait, we are going to carry out the work that is laid before us. This is not the time to get distracted, or stray from the foundation that was laid for us. Instead, it's our job to continue to keep the main thing the main thing, and the main thing is evangelism - reaching the lost souls of this world for Jesus Christ.

What a privilege to have a part in such a unique fellowship and powerful legacy, and to have a part of carrying out His will in this generation.

"But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light." 1st Peter 2:9

Farewell to our Founding Pastor...

Pastor Wayman Othell Mitchell

'We appreciate the leadership of Pastor Wayman Mitchell who was so faithful to impart to us that we are a fellowship of common people from every walk of life whom God has empowered by the Holy Spirit to minister in uncommon ways.'

'I saw that he was humble, as the leader of the fellowship, he never forgot where he came from or thought too highly of himself. Our greatest way of honoring this great man is to carry on what he started, our Fellowship vision, taking the Gospel of Jesus Christ into all the world, discipling men, and never forgetting where we came from.'

'We are forever grateful that Pastor Wayman Mitchell obeyed God's mandate; his obedience resulted in many Filipino lives being changed and being used for the glory of God. We will never forget how Pastor Mitchell would always show his affection for us, that despite his age, he would still come once every two years for our conference and preach in our church the Sunday before or after conference.

What he faithfully imparted to us will never be in vain as we are seeing the fruit of what he taught us - men and women responding to the call of God, churches being planted, and nations reached for our Lord Jesus Christ. We will surely miss him.'

'His words impacted me. They carried weight. It was not just empty words in my head, I believed his words because I knew Pastor Mitchell heard from God and it came to pass at the appointed time.'

'Pastor Wayman Mitchell left a great testimony with the saints here in Valparaiso. The Church has many great memories of the yearly Miracle Healing Crusade for the past 19 or 20 years in Valparaiso, with many people healed, saved and delivered.'

'There was a Godly self assurance and a clarity, a dominion about his messages and his ministry. I was struck by the contrast, even as a raw new convert. There was something different and unique about this man from a town called Prescott, Arizona.'

October 9, 1929 - September 21, 2020

'One comment that was often heard after a Pastor Mitchell sermon was the tremendous hope he communicated to people, sometimes even after our own failures that would want to trap us in defeat. He had a way of picking you up, and dusting you off, and standing you back on your feet again spiritually.'

'We want to thank Pastor Mitchell for a lifetime of investment in us. What a privilege it was to know him and Sister Nelda. The life they lived and the sacrifices they made for the furtherance of the Gospel transformed our grandparents, our parents, and our lives, and now it is affecting our children's lives as well. What a legacy!'

'Words cannot describe how grateful I truly am for the opportunity to have had Pastor Mitchell as my pastor. I will forever treasure the times we spent together. I was always grateful to be where my pastor was to receive and learn whatever I could from the man of God over our life. I look forward to the day I will see him again, one day soon in heaven.'

'Pastor Mitchell took time to talk to our people. He was genuinely intrigued by their simple island life stories and testimonies. Part of this great man continues to live right here in the hearts of the island nation people of the South Pacific.'

'I will be eternally grateful to Pastor Mitchell for his tireless work, his love for lost souls and his desire to see people completely healed.'

'His love for the souls of men, his passion for evangelism, and his zeal for God's business describes his work. Leaving no stones unturned, he explored every option just to spread and proclaim the love of God to every unbeliever.'

'Pastor Mitchell had an excellent way of bestowing dignity and respect and uplifting my spirit whenever he was around.'

'Pastor Mitchell had an unbelievable memory of people's names. He always called me by name and would go on to introduce me to the people around, as if I was really something. Pastor Mitchell cared for all people, even regular people.'

**Boston, Massachusetts
Potter's House
Pastor John Foley**

Greetings from the Greater Boston Area.

God is moving in the midst of it all here in Boston and the surrounding cities. We've been taking portable speakers out weekly to do street meetings and evangelize.

Young disciples are sharing testimonies and playing music on the street; from downtown Boston, to our subway system T-Stops and other local cities like Chelsea, Everett and Revere. We are excited to see all that God is doing.

We had to cancel our park outreach when the mayor shut down the parks the week of the outreach. We moved indoors and had a pizza party with people singing and testifying. We saw eight people give their lives to Jesus that night and God moved in spite of the change of plans.

We moved into a great revival with Patrick Johnson with words given and people saved and filled with the Holy Ghost.

Disciples are rising up and helping with ministries in Spanish and in Portuguese. They are working to play song services in these other languages and filling the roles of preaching and running these services in other languages. We are also seeing God move in financial breakthroughs! One woman was woken up in the middle of the night with God impressing on her to begin tithing. She paid her tithe

Street outreach in Boston

first thing in the morning. Within a week her car broke down and she had to walk home. But before the week was over she was given a raise and a very sizable bonus!

**Indio, California
Potter's House
Pastor Carlos Olivas
Corres: Carlos Aguilar**

Great Blessings to all from Indio, California.

It's been a rough year for all people around the world. At the beginning of the year we had planned to have our annual Harvesters Homecoming. Due to the pandemic we found ourselves having to cancel the services much like others began doing.

We moved to an online only basis, encouraging and pushing our congregation to remain faithful and steadfast in

the midst of this. During this time as many know, our pastor who had been diagnosed with Leukemia, and had been undergoing treatment, was away for weeks at a time. Pastor John Maiolo and sister Erin were a blessing to Indio during this time, as they would minister on Sundays while our pastor was undergoing treatments and therapy. We recently received good news that there is no longer any evidence of cancer in his body! Praise be to God!

It was an unprecedented time, as online church services were very limiting, so at the end of summer we began to have in-person church services again. At first, it was a slow start as people were still uncertain of gathering. We took precautions and had in place temperature checks and hand sanitizer along with sanitizing the church.

We also were limited in our ability to outreaching, so we decided to take the word to the streets and began street preaching on Fridays with more than 30 of the saints joining us to help minister.

This year we were able to have amazing revivals with Mark Salas, Peter Ajala and Steve Bowman. Our latest revival with Steve Bowman was timely and we had a tremendous visitation of the Holy Spirit.

God was rekindling and pushing our congregation to step out in faith, we had more than 120 in attendance, with multiple new salvations.

At the end of the revival we had a baptism service in which we saw 14 people proclaim Christ as their Savior. God is doing a wonderful work in Indio and growth is taking place. God is taking Indio to the next level!

We want to take this time to say thank you to all who have prayed for our Pastor and our congregation, we are very grateful. Please continue to pray as Pastor Olivas continues to recover and return to full strength.

Thank you Pastor Greg, sister Lisa and our mother church (Prescott) for all you've done and continue to do for us and our fellowship, we love and appreciate you!

Boston revival with Patrick Johnson

Street outreach in Indio, California

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: Mario Sanchez

Greetings from Las Vegas, New Mexico. Since our last report we have had many things happen here in northern New Mexico.

entire time in the building, and distance our seating according to CDC guidelines our services are well attended.

We kept up our outreaches to the flea market and have never let up on our street preaching, and that has really kept the saints on fire for Jesus. As the month of our yearly Boot Camp came, with much regret we had to cancel it, but we

encouraged the boots to look forward to 2021 Boot Camp.

Then we looked forward to our Bible Conference in September, which had the theme “The Book

of Acts as Our Pattern.” We didn’t know how it would turn out, especially bringing our missionaries in for the conference, yet God supernaturally opened the door in the last weeks and days before for them to fly in and attend!

The great blessing was that local saints were willing to give up their seats for the delegates and sit in an overflow room the whole conference, so our delegates could be ministered to in the main sanctuary. We were blessed to have our pastors that preached timely messages and also blessed to have Pastor Jon Overson as our guest main speaker. The conference was a full schedule, 17 sermons were preached, and when Thursday and

Friday came along we had some exciting announcements:

International:

- Going into Cativa, Panama out of Las Vegas - Gary and Lisa Case
- Going into Dangriga, Belize out of Alamosa, CO and Las Vegas - Joseph and Mary Harmon

State side:

- Going into Newton, KS - Johnny and Nita Lujan
- Going into Livonia, Michigan out of Las Vegas, NM - Gabe and Kyana Cruz
- Taking over the church in Wichita, KS - Jamie and Georgia Cruz
- New Evangelist - George and Yolanda Cruz
- Coming on staff as assistant Pastor - Mario and Lydia Sanchez

We thank God for all He has done and is doing here in Las Vegas, NM. Please pray for us as we continue to pray for you.

Newport News, Virginia
Potter’s House
Pastor Larry Mitchell
Corres: Wayne Nickerson

Greetings from Newport News, VA. We bring a good report of the great things God has been doing in our city.

As we all are very aware, the Covid-19 pandemic has radically changed how we function. God is good as this has forced us to be innovative. This past summer, we capitalized on outdoor events, whether it was outdoor concerts, street evangelism or outdoor services.

We are glad to report that, while some people have opted to stay home during this time of Livestreamed services, we have not lost members of the congregation. In fact, God has added people.

We have seen an influx of new converts, even backsliders returning to Christ. We have had several services in the last few months where we have prayed specifically for people to be filled or re-filled with the Holy Ghost and many have been filled with the evidence of speaking in tongues. Giving has not slacked

Four new churches launched out of Las Vegas, NM

On March 18th we had to close the church because of Covid-19 and go strictly to Livestream for all our services. We never thought we would have to tell the people not to come to church! We thank God that from March 18th to May 17th, people were faithful to set up their electronic devices and be a part of the services from home.

The miracle was that through the whole time the saints were still faithful to give tithes, offerings and pledges to world evangelism. Once we were able to meet in our building, many of the people came back and have been faithful to church. Even though we have temperature checks, sanitizer for our hands, wear our masks for the

Water baptism in Newport News, Virginia

off as the faithful saints continue to be liberal.

As we have been able to open up, we have ramped up our efforts, holding a revival with Evangelist Patrick Johnson and having the Spring Lake, North Carolina youth ministry work in tandem with our youth for an all-day outreach/concert event.

Our youth have been on fire since then and have run an entire Extreme music/drama scene on their own. They are doing a fundraiser with the goal of collecting enough to fully cover sending 10 of the youth to the next Chandler Bible Conference. How great it is to see the next generation embrace what we are!

We are stepping out in faith. During the Chandler Bible Conference we announced our Door director, Roman and Rosie Covos, will be pioneering in Hampton, Virginia. We appreciate their longtime, steadfast service to our church and are confident God will use them to build a great work there.

In October we had a water baptism that saw 12 people baptized during an unseasonably cold and rainy Sunday. God was glorified through their testimonies and decisions to identify with Christ.

Our follow-up leaders, the Howards, hosted a series of marriage classes in their home in November. They called it “Adam & Eve in the Garden.” It powerfully ministered to couples in the church and many gave testimony regarding how it improved and enriched their marriages.

We are now back to door-to-door witnessing for our Saturday outreaches. Each outreach, we have reports of people being saved. Additionally, they are coming to services, fellowshipping with saints, and get-

ting locked in. One amazing thing to note is that a large majority of the church takes part in the outreaches, not just a bare minimum of the

core. God is giving us revival in the Hampton Roads area. As I am writing this, we have been praying for our nation for godly direction and preparing our hearts for a series of End Times revival services featuring Pastor Richard Romero. We are certain these will be timely and important meetings and will be glad to share in the future the good things God has done.

We appreciate the leadership of the late Pastor Wayman Mitchell who was so faithful to impart to us that we are a fellowship of common people from every walk of life whom God has empowered by the Holy Spirit to minister in uncommon ways. He will always be a powerful example of what a disciple and minister of Jesus Christ is supposed to be.

In closing, we are thankful for the leadership of Pastor Greg Mitchell and Pastor Joe Campbell; please pray for us as we pray for you.

**Pittsburgh, Pennsylvania
Potter's House
Pastor Roger Williams**

Greetings from the Iron city of Pittsburgh, Pennsylvania.

My wife and I were launched into the city of Pittsburgh in the month of March 2020. We took over a pioneer work that was started by Tom and Christine Connors. They did a tremendous amount of work in a laying a foundation for God to build on.

We arrived the last week of March. The city was in complete lockdown because of Covid-19. After about two weeks of not being able to meet in the building I purchased a battery powered PA system. My wife and

I hit the streets preaching the good news of the Gospel.

We were able to pray with people for healing and salvation. It was very encouraging to see the hand of God moving in the midst of a pandemic.

While we were at a shopping plaza a young man stopped me to ask if I could give him a cigarette. I told him I hadn't smoked in 30 years because Jesus had set me free. We gave him and his girlfriend a ride home. We picked him up on Sunday, and he responded to the altar call and gave his life to Jesus. He was able to get his girlfriend to come and she got saved as well.

We took our keyboard and the bat-

Outdoor outreaches during lockdown in Pittsburgh

tery powered speaker and sang those great fellowship hits like, “At the Cross” and “He set me free.” Then my wife and I would take turns testifying about Jesus. On one of these

meetings there was a guy standing across the street for most of the meeting. Afterwards he came across and shared with us how he had gotten saved a couple weeks ago in his bedroom, crying out to God because his wife had recently passed away .

God filled him with the Holy Spirit. But he had no place to serve God. He said when he heard what we were preaching, God showed him this was the church he should attend. He brought a friend that he witnessed to and he got saved as well. Praise God!

At another outreach we were preaching at a local bus stop. While I was preaching a young man stopped in front of me and threw up his hands, and said, where is God? I challenged him to give his life to Christ. He responded, and I led him in a sinner's prayer while people looked on.

Jesus is still saving people in the middle of a pandemic. Glory to God!

We also did a healing service in the parking lot in the back of our church, and had pastor Jeff O'Brian preach. We saw a couple of visitors for that event. We thank God for co-laborers in the kingdom of God. We are continuing to hit the streets of our city, and doing what we were taught to, which is defeat darkness with with the light of the Gospel of Christ.

We are truly looking forward to all that God is going to do in the future in our city. We want to say thank you to our pastor Paul and Linda Campo and the Cape Cod congregation for investing in our lives.

We also thank the Tucson and Prescott churches for their faithfulness to the vision.

We also want to say how blessed we are to have been impacted by the ministry of Pastor Wayman Mitchell. His heart for discipleship has impacted the world. He imparted it into pastor Warner, Pastor Warner imparted it into my Pastor Paul Campo, and my pastor imparted it into our lives.

Pastor Mitchell was a great man of God, but he was down to earth. I had the great honor of driving him to the airport after he would preach revival for us on the Cape. I could never really sleep the night before

because I was to afraid of oversleeping. The first time I picked him up at the hotel the first question he asked me was, "Do you know how to get to the airport?" Then he laughed and proceeded to tell me about the disciples that didn't know how to get to the airport.

During the ride I was able to ask questions which he was always willing to answer. I will miss those rides, and talks. My life has been forever impacted by those conversations.

Please keep the city of Pittsburgh and our ministry in your prayers.

**Rochester, New York
Potter's House
Pastor Keith Sullivan
Corres: Ahnika Stowell**

Hello from Rochester, NY! We are very excited to report that God has been bringing revival to our city throughout the past couple of months.

The end of this year has brought many exciting events to our church, including a revival with Pastor Steve Bowman filled with encouraging words, miracles, and nine souls giving their lives to Jesus.

commit their lives to serving God in our most recent baptism. God has really been moving in the past couple of months in our congregation.

The biggest outreach that we put on is our annual Haunted House and this year was no exception. We are excited to report that last year's Haunted House brought in a young man who has become a faithful disciple, and he was able to play the very special role as Christ on the cross in this year's performance. We had our biggest turnout ever with 609 people going through, and 350 giving their lives to Jesus.

We have already had fruit from this outreach, as visitors attended our Sunday morning and Sunday night services. We thank God for what he has done through this outreach, and for the seeds that were planted in so many hearts.

We would like to express our gratitude to the fellowship for all of the prayers that have been poured out for this city. We value Pastor Greg Mitchell and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

A note from Pastor Sullivan regarding the impact that Pastor Mitchell had on his life and ministry:

Cast of Rochester Haunted House that saw 350 saved

We also had our most successful concert scene yet, with 80 people in attendance, 18 new visitors, and five souls saved. Our church was also very encouraged to see five of our young people (ages 12-14) get baptized and

"Where to begin? Pastor Mitchell's impact in my life, as well as in many others, was both in big ways and small ways.

The first time I got to spend any one-on-one time with Pastor Mitchell was

on a trip to Israel. It was a small trip with only one bus. He made a way to get my wife and I on that trip. I found that out on the layover in London, when he was feeding his chips from his fish and chips to the seagulls. I thanked him and he said, "Remember me when you come into your kingdom." I was a young pastor and saw that he believed that there was more for our lives than we were currently experiencing, as he did with so many people.

Yet I also saw that he was humble, as the leader of the fellowship, he never forgot where he came from or thought too highly of himself. The proof to me that he never changed who he was, came the night before I left being on staff to come to Rochester. 'Keith,' he said, 'don't forget us.' I said to him, 'Pastor, I will never forget you.'

I was very privileged to spend two and half years on staff with Pastor Mitchell. I heard his stories, watched how he dealt with disciples and saw his heart to preach the Gospel. I noted the way he worked, loved, rebuked and preached, and experienced them all personally.

I know that our greatest way of honoring this great man is to carry on what he started, our Fellowship vision, taking the Gospel of Jesus Christ into all the world, discipling men, and never forgetting where we came from.

**South Central El Paso, Texas
Potter's House
Pastor Ryan Manzano**

Greetings from South Central El Paso where we're privileged to be a part of seeing God change lives.

Here is a testimony of the power of conversion.

Testimony - Ashley Lara

My name is Ashley Lara. I got saved about a year and a half ago.

Like many people before me, I came into church broken, lonely, lost, and depressed. I had very little faith in God

and considered myself an atheist by most accounts.

I had spent many years boxing myself in, building walls to protect myself, and isolated from everyone including my family.

I was losing my sight on a brighter future as I contemplated suicide frequently and my chances of making it past the age of 18 were looking slim to none. My body still has scars from engaging in self-harming behavior patterns to deal with the pain of the past.

Additionally, I was involved in lesbian relationships, convinced this was "the way I am." Just when I thought there were no other options for my life, my older brother Noe got saved at a local park where a new church was having a concert. He came to us excited to share the news and I noticed in him a joy and peace that showed me something was different about him.

Now I, just being 17 at the time, was very skeptical of this newfound pastor and his wife. Little did I know that these two people were single handedly, with God's power of course, about to flip my life around faster than a burning tortilla on the stove.

Within a few months, Pastor Manzano and his wife opened up their church. Though I was initially hesitant and disbelieving, God began dealing with me and breaking down the walls I desperately tried to keep up. When I finally surrendered and gave my life to Jesus and let Him in, He began to transform me from the inside out.

I was afraid to be vulnerable and fearful of being hurt again, but God showed me I can trust Him. He began dealing with me about areas in my life that I knew were wrong, but through the conviction of the Holy Spirit and conversations with my pastor I experienced the power of conversion and realized I would never be the same.

Ashley Lara, total transformation in Jesus

I still battled and questioned God's plans for my life, but little by little God began to reveal Himself to me more and more. I slowly learned to open up again and experience a joy in life I didn't know.

I began to make new memories, and come out of my shell. I began to meet new people, people I now consider my second family. I also met my husband Luis at the church as I have recently gotten married. I can't thank him enough for loving and accepting me the way that I am.

I got baptized, I now sing on the platform, rap in concerts, and my husband wants to preach the Gospel. In the end, we all need repentance and God's help. Without Him in my life, who knows where I would end up.

Thank you to Pastor Manzano and his awesome wife Mary Jo for not skipping over us here in El Paso and bringing us all together. Now and always - Los Montanaz!

**SW Houston, Texas
Potter's House
Pastor Robert Correa
Corres: Jackey Guidry**

Greetings from Southwest Houston Texas. I want to give glory to God for the miracles He has done in many lives in our church and city.

Throughout this whole pandemic, God has sustained our church and given us a surplus for savings on a new building! This year we have had

SW Houston Fall Festival saw seven saved

Revival in SW Houston

numerous revivals with Pastor Glen Pugliese, Albert Martinez, and Ray Rubi. All revivals were outstanding. God delivered words in due season in each setting.

One highlight meeting was from Pastor Glen, where an oppressed spirit was broken. Many people in our congregation were healed and instantly set free from strongholds and sickness.

We just completed a revival with Pastor Ray Rubi, which was very intense. God anointed every service. On Sunday morning, after preaching on the Book of Life, seven backsliders came back to Jesus that morning.

Our highlight event this year was the annual Fall Festival. This event turned out to be a great success. With the rental of a mechanical bull and moonwalk as the main attraction, many visitors came through. Out of this event, we saw more than 50 visitors and seven souls saved, and most were saved from a “fortune-telling booth” that was operated by faithful sisters.

The next day on Sunday morning two from the carnival returned to visit the service. This event could never happen without the faithfulness of the

saints of God who stayed at the church and labored all day and into the night.

Men have risen to the challenge of discipleship. As we head into the new year they are leading and calling outreaches on their own, coming to prayer and leading Bible studies throughout the city. Please keep the SW Houston church in your prayers as we pray for you.

a clear word of direction from him that has kept our vision for the harvest field, and raising up disciples as a singular focus.

In recent years, we had Pastor Mitchell for Healing Crusades that impacted so many people in our church and in our community as well. The joy that was evident on people’s faces as they received healing and forgiveness of sins is something that many of us will never forget.

One of the treasured times we experienced recently was Pastor Mitchell here doing a Men’s Discipleship Class, and he took the time to have a sermon preparation class in the daytime with many disciples from our church. It was such a rich time, and the men truly appreciated his investment in their lives.

One comment that was often heard after a Pastor Mitchell sermon was the tremendous hope he communicated to people, sometimes even after our own failures that would want to trap us in defeat. He had a way of picking you up, and dusting you off, and standing you back on your feet again spiritually. We know that he had to endure times of shaking in our Fellowship, and his steady hand during these times brought calm and clarity for us all.

This weekend Pastor Harold Warner is celebrating his 50th birthday in Jesus. One of his great sources of strength has been having the same pastor for nearly 50 years. Even though Pastor Mitchell has passed on to his reward, his spiritual DNA is alive and well in the Tucson church. We are forever indebted to him for his life and example.

We also look forward to what the future has for our church and fellowship under Pastor Greg Mitchell’s leadership. We know Pastor Wayman Mitchell didn’t want what God was doing to end with him. We believe in glorious days ahead as we all climb out of this horrible pandemic. We believe God has great things on the other side of all of this.

Thanks again from The Tucson Door for the faithfulness of The Prescott Church.

**Tucson, Arizona
Potter’s House
Pastor Harold Warner
Corres: Steve Pinnick**

In remembrance of Pastor Wayman Mitchell:

The Tucson church wanted to take this time, along with many others of you in remembering Pastor Wayman Mitchell and the lasting impact he made upon our congregation.

We realize that without Pastor Mitchell’s faith and vision in sending Pastor Warner here after his car accident that left him paralyzed, there would not be a Tucson church that is having impact all over the world.

If he did nothing more than that, we would have cause to be grateful and indebted to him and the Prescott church for their great leap of faith. But besides Pastor Mitchell’s initial investment in Tucson, we all have the memories of how he was a fixture in our Friday night conference slot for decades. So many of our conferences were topped off by

Waco, Texas
Potter's House
Pastor Dominic Padilla

Howdy from Waco, Texas! We have had a lot going on even in the midst of Covid.

We were blessed to have Pastor Roman Gutierrez give his, "Twice Dead" testimony and preach for us, twice. We saw 55 people attend on one night with several saved, and a timely word given.

Once the weather cooled off a bit we were able to take our puppets and concerts to the middle of parks and apartments, and this has been a great tool.

Our annual Fall Festival let us talk to many families and see souls saved as well as obtain contacts to follow up on.

Pastor Joe Zeable did our first full

revival and what a blessing that was, for the church and for us. We had two notable miracles.

One was a member of our congregation who had recently had knee surgery and started having pain. The fact that she went up on her own was a miracle in itself, but then God completely took the pain away and she was jumping up and down with no pain! After seeing her doctor the next day, he said there was nothing wrong at all with her knee!

She was so excited she brought her friend that was in a motorcycle accident the month before. The friend had suffered a broken collarbone that wouldn't let her raise her right arm. She came limping in, wearing a soft boot from a broken tibia and fibula in her leg, resulting in tremendous pain. Pastor Zeable led her through a prayer of salvation and forgiveness, and instantly she could raise her arm over her head! She was shocked as she got up to walk and the pain in her

leg left completely!

While laughing and crying because there was no pain and God touched her, it was evident the work God did! Praise God!

We want to thank our Pastor Jeff Day and the Albuquerque church for their investment here and in our lives.

We also want to thank Pastor Mitchell for a lifetime of investment in us. What a privilege it was to know him and Sister Mitchell. The life they lived and the sacrifices they made for the furtherance of the Gospel transformed our grandparents, our parents, and our lives, and now it is affecting our children's lives as well. What a legacy!

We know the mantle has passed to Pastor Greg Mitchell and we are honored to continue to be a part of this move of God in these end times! Continuing forward in all that God has and believing for revival in Waco and the world!

Worldwide Ministry

Almeria, Spain
Potter's House
Pastor Alberto Maleno
Corres: Manuel Delgado

Greetings to everyone from Almeria, Spain.

The first time I invited Pastor Mitchell (2005) to come to Almeria, he answered with a resounding NO, without any opportunity to reply.

From that moment I started to investigate, and discovered that Pastor Mitchell had a bad experience in Spain in 1979, trying to have a Miracle Healing Crusade in Fuenlabrada (Madrid). Having this information, I realized that I had to invite Pastor Mitchell to do a Miracle Healing Crusade for us. I tried a few months later, but the answer was the same, I even remember his answer: "To Spain?

NO!"

Being honest, the answer hit me hard and at times I thought about not insisting anymore, until a few days later, I received the "Trumpet" magazine where the final page highlighted the trip to Israel, the Holy Land.

At that moment I thought, "Perhaps Pastor Mitchell is more sensitive in the Holy Land?" and we went on the trip. During that trip, I had several problems - first, my English was not understandable. Second, we were put on bus number 3 and Pastor Mitchell was on bus number 1. When he left one place, our bus arrived. It was very difficult to find a moment to talk with him.

It wasn't until the last night, at dinner, when I approached him and told him I wanted to tell him something. He asked me, "What do you want, Alberto?" I answered, "I want you to come to Almeria, to make a crusade."

He looked at me, and asked: "Will you come to next conference in Prescott?" I quickly said YES. At the next Conference we were able to close the first Crusade in Almeria. (January 2007).

They were 13 "UNFORGETTABLE" years of consecutive Miracle Healing Crusades in Almeria, along with our brothers from England, Holland, Romania, Russia, Germany, and other nations of Europe. We began having them in sports pavilions, then in a theater downtown, until one day the pastor asked us for a tent, and for years we've been impacting our city.

I will be eternally grateful to Pastor Mitchell for his tireless work, his love for lost souls and his desire to see people completely healed.

We will miss him very much, also the "La Gruta Restaurant," where he really enjoyed to go after every evening service.

I want to thank Pastor Greg Mitchell and the Church in Prescott, for their financial support over the past few years, and for their trust in us. We want to ask him to continue this great legacy of his father in Almeria, Spain.

Also, thank you very much to Pastor Nigel Brown, Pastor Evert Valk, Pastor Nomdo Shuitema, Pastor Jan Shuitema, Pastor Ovidiu Rusu, Pastor Mitika Draghichi for all your help and support (without them it would not have been possible).

Lastly, I want to thank all the translators, especially Manuel Delgado, Josue Quintero and Tony Cisneros.

We can talk about dozens and doz-

Park outreach in Arnhem, Holland

severe as in some other places in Europe, so we still could hit the streets and organize small activities through our Summer.

Our outdoor neighborhood services were especially well attended and fruitful. Global warming helped us with hot weather, so for weeks we set up our equipment

problems and legal issues in the past.

We bought a former Dutch Reformed Church building on a great lot of land, with enough space to expand in the future. The owners declined a much higher offer from a health company, because they prefer that their building still will be used as a church. Glory to God!

Despite the economy coming down due to covid, our church responded financially in a great way. So we were able to give 20 percent for a down payment and still have sufficient funds left for remodeling. Buying this building helps us to cut our monthly building expenses almost in half!

Pastor Mitchell's favorite restaurant in Almeria; lunch with pastors and disciples

ens of conversions, miracles of healing, spiritual growth of disciples and pastors, increase in the number of churches in Spain and much more.

Right now, in Spain we have 15 churches, and plans to continue growing. We will continue to work on the master plan that we have received.

Please keep praying for Spain, we believe the lost time will be recovered, and a GREAT REVIVAL WILL TAKE PLACE IN SPAIN.

on Saturday night in different neighborhoods and parks. Each night visitors came out and God rewarded our efforts with salvations and healings.

Mean-

while in church due to the partial lockdown we were not able to meet with the whole church body, but our Livestreams impacted many who wouldn't come to church under normal circumstances. People still got saved and backsliders came back to church, making good decisions.

We had a big breakthrough, because we were able to buy a building! This is for the first time in the 38-year-history of our church, having had all kinds of

Arnhem church was able to purchase a building at a great price with room to grow!

I don't want to end before paying tribute to Pastor Mitchell and what he meant to me and the churches I pastored. My family and I are greatly indebted to Pastor Mitchell in many ways. In 2007 I had the privilege of hosting the annual Healing Crusade with Pastor Mitchell in Delft. This happened to be a turning point in my ministry and for the church. Arnhem, Holland
De Deur
Pastor Bert Fledderus

Greetings from Arnhem, Holland! Covid-19 restrictions are still impacting us at the time of writing, but God continues to move in Arnhem.

In Holland the lockdown was not as

national television showed up on the first night and gave us free advertisement. We had hundreds of visitors in that crusade and 140 saved.

This crusade launched me into full time ministry and I've been a full time pastor since and a missionary in China for six years. My family and I owe this to Pastor Mitchell and the vision he imparted into all of us. I count it as one of the greatest privileges in my life to have known him and to be part of this great Fellowship.

Thank you Pastor Greg Mitchell for taking up the mantle, and Pastor Schuitema and the Zwolle church for your leadership and support. God bless you all.

Beechboro, Western Australia
Potter's House
Pastor Tom Payne
Corres: Brad Buchanan

Greetings from Beechboro, Western Australia.

This season under Pastor Tom Payne has been very powerful over

Pastor Mitchell ministers in Healing Crusade

here in Beechboro, with many new converts being added to the church.

In spite of the Covid lockdowns our midday outreach on Saturdays has proven to be highly effective. God has been faithful to bless our labours through evangelism each week.

With more than 1,000 decisions made for Christ this year so far, the majority of these decisions were made on the streets. It has been a great joy

of mine personally, to see the new converts developing a passion and burden for souls. Some of which, after being saved for just a couple of weeks are winning others to Christ with their zeal for the things of God.

Our concert scene at the PerthOne80 has been exciting! Creativity has been the key to keeping the concerts fresh. We have had a number of specials, "Straight Outta KGB" and "Raising the Dead," bringing a great response from the public. The "Straight Outta KGB" special consisted of a three-part series, involving media and AV production, as well as live stage drama and music. Each episode delivered on the promise, before swerving into the Gospel, bringing conviction which then lead to souls being saved.

Members of the body are inspired to do something for God, with several new bands formed over the past few months.

For me personally, Pastor Wayman Mitchell both inspired and blessed my ministry. I had the opportunity to meet with him for breakfast and catch the vision of what we do as a Fellowship. He opened the invitation to join

him and other pastors while they gathered together to sermonize. I jumped at the chance to be a part of what

was going on. These are fond memories that I know I will hold on to throughout my ministry.

Beechboro would like to thank Pastor Greg Mitchell for his leadership in continuing the vision of discipleship, evangelism and church planting.

We look forward to all that God

plans to do in the future and are believing for a fruitful time this summer, as we head into the park outreach season. God bless.

Bonteheuvel, Cape Town
South Africa
Potter's House
Pastor Harold Visser

Greetings from the land that is as bright as the promises of God. One thing that I will always remember about Pastor Wayman Mitchell is this statement: "If the devil fights it, then I want it."

We are contending for revival in Bonteheuvel as we are seeing God bringing in fruit and the fruit that is remaining. God is faithful to give the increase and we are seeing that at the moment.

South Africa is still under restrictions due to the outbreak of COVID 19 that has its challenges for people that want to come to church. After the lockdown we had two families join us from other churches that weren't open yet, and we are privileged to have them with us.

The one man brought his sister who is a recovering drug addict and she has prayed the sinner's prayer. He also brought three of his six children with him to church, and we prayed with them also. This family is continuing to serve God with us.

During one of our outreaches,

Church service in Bonteheuvel, South Africa

we went to pray for an elderly lady that visited our church. She was in so much pain that she could barely walk. The next morning she was in church! Glory to God!

God is truly giving us favor in the area of Bontheuwel and we are seeing it as a privilege to be part of God's people on the earth. The devil will always fight what God wants to give us, a breakthrough in fruitfulness, but we will go with our marching orders and fight the good fight of faith until Jesus comes or we go to be with Him.

Like David said in the Psalms, "You train my hands for war and my fingers for battle." The more the devil fights us the stronger we get and the more we learn how to fight him! It is a win-win situation in the end ... winning souls and winning in the end.

Cucuta, Columbia
Potter's House
Pastor German Gastelum

Hello, my name is German Gastelum. My wife and I are pioneering for the fifth time, a church

Outreach in Cucuta, Columbia

in Cucuta, Columbia, under the Door in Tucson, Pastor Harold Warner.

We decided in December to start laboring and focus wherever God will give us fruit. A taxi driver by the name of Eduardo received Christ and quickly took our vision and purpose as his own.

Eduardo took us to his family, and his wife and mother were also added to the church. They opened their home for a Bible study and the church, La Puerta Villa Del Rosario, was born.

The place filled with about 20 people coming, and most are still with us.

We had to find a building, and found a miracle place that had been a church before. The previous pastor there had quit, leaving behind the chairs, pulpit and instruments. It was ready so we started and had the Grand Opening March 8 of this year. A group from the Santa Monica church came on a medical mission and gave us a tremendous push to start.

I don't have words to describe the work this medical mission ministry under Dr. Bob Hamilton did. More than 30 doctors, nurses, and workers came and did an incredible work of healing and gave medications to hundreds of people who came.

We also had a group of area pastors from Bogota and Cucuta and conducted a Healing Crusade at the same place. People were being miraculously healed and departing even before they saw the doctors!

People came into the crusade mission and locked into the church, remaining with us 'til now.

The Santa Monica ministry and other people continued to send us support, enabling us to continue to help people in great need during the pandemic and quarantine.

The church was closed and my pastor helped us secure strategic homes in an area of 100,000 people, called Via Del Rosario.

God provided area leaders to help in doing Bible studies and prayer. Then in October we were able to open the church at a half capacity with the Covid protocols, having four and five services per week and seeing people saved and healed.

I don't think I have space to describe all the things we are seeing here.

One word to describe it is "revival" in this battered land of Venezuelan migrants, Colombians returning home and locals. We have them all.

Davao City, Philippines
Potter's House
Pastor Fran Buenaventura
Corres: Emma Sotto

Greetings from Davao City! "Who can separate us from the love of Christ?" (Romans 8:35)

Praise God for we are still able to do outreaches in the streets and busy places with an average of 25 souls saved every week, despite the restrictions. God indeed never fails to save precious souls even in this time of crisis.

In this quarter, we had our first meeting for the men's future leaders with 21 in attendance. Home Bible studies are keeping up as well. Our children's ministry remains on track thru online lessons every Sunday morning.

At the end of October, our church closed for two weeks to disinfect and sanitize the whole church building because some of our brethren were suspected of Covid-19 and they had to be tested and quarantined. Praise God for the negative results but we lost a faithful brother who got infected while having dialysis treatments at the hospital. Our church services were back on Livestream during this break and continue to do so as I write.

We thank God that despite the current surge in Covid-19 cases in our city, churches are still allowed to open and hold religious activities. But recently, our city government imposed stricter rules. Social distancing among church members is increased to two meters, no singing and no unnecessary chatting among individuals.

However, these new restrictions has not caused us to stop going to church and praising God in His sanctuary. Our hearts are in deep longing for His presence and we have to worship Him at all cost.

Nothing can hinder us from the

Davao City outreach outside a bank during Covid restrictions

and we saw about 60 people give their lives to Jesus. Twenty-five of them ended up coming to the church service the Sunday after and had an undeniable encounter with Jesus!

We're seeing a powerful work of God forming and God is truly building his church here in the United Kingdom.

I just really want to express our gratitude towards Pastor Wayman Mitchell. He has been an extremely faithful man of God and has left an amazing mark and legacy for us to follow and to continually see the blessing being poured out

Please keep us in prayer as we are in desperate need of a new building and we're believing in God for a miracle.

**Eldorado Park, South Africa
Potter's House
Pastor Ron Banet**

Greetings from Eldorado Park South Africa.

Praise God for what is happening in Johannesburg, its been a very busy and fruitful year for us.

God has shown us favor during lockdown of Covid-19. With churches closed in level five of our lockdown we managed to continue with our services in church for the period of two months without missing or canceling any services. We had the support of the local police station and their senior commander, and the church stood as a beacon of light during lockdown.

During lockdown, we had our annual Men's Rally, which was streamed online and attended by local churches. We had great reports coming out of that with many pastors challenged to go ahead and contend during this COVID times for a breakthrough, to open the house of God and raise the standard.

September we had our Bible conference, entitled "AGAINST ALL ODDS." Indeed it was a great reminder that we are doing a great work alongside God, with nine local churches and three international works launched. Indeed God is able to move "AGAINST ALL ODDS" OF 2020.

love of God and in doing His will. Not even this Covid-19. May we all become stronger in fighting for our faith and be steadfast in praying for one another.

Thank you Prescott church for the exampleshp through all these years and in this pandemic. May God's love comfort you in the passing of our beloved Pastor Wayman Mitchell. Our prayers are with you and to all our churches all over the world.

Stay safe in the Lord. God bless us all!

We had a revival service with Pastor Eric Mumba in which we saw about 15 visitors come and every single one of them got saved.

We had a baptism that same weekend in which we saw many of our converts/disciples making a massive step in their walk of salvation.

We have had three couples who came into the church together make a decision to get engaged and are about to get married in the next couple of months. Each of these couples have had a radical conversions and two of the three have expressed a calling to preach the Gospel, which is very exciting for the church!

We have seen various miracles take place but this one really stands out the most. I was called to come to a house where a girl was possessed by demon

spirits. So I went and there were about 70 people crowded in this house wanting to see what was going to happen. I began to pray over her and immediately the

demons fled and she was set free. She gave her life to Jesus and is now living for Jesus and coming to the church!

I pulled an alter call in the house

**Doncaster, United Kingdom
Potter's House
Pastor Michael Brick**

Altar call in Doncaster, UK church

Iwould like to share with you a victorious report of what God has done in Doncaster over the last few months!

Nine new works launched in Eldorado Park Conference

Tuesday Outreach in Eldorado Park

State of Victoria has had tougher lockdown laws than the rest of Australia (if not the world), over the last seven months God has shown us that He is still on the throne and that He alone is Lord.

As many of you know, our numbers also at Church have been severely restricted. Despite this, we have seen many respond to the Gospel

our expert panel consisting of Pastor Elliott, Pastor Fritz Helg and Evangelist Steve Stephan (Pastor Dan Stephan from Onehunga was also a guest on the panel for two of the studies).

No question was too hard to answer for the “A Team”. It also meant that the technical team would deal with new audio and visual consequences that arose, but they gave themselves to fixing and overcoming these challenges. It was great to see our area-wide churches join in the Livestream as well as new converts and first time visitors, here and overseas.

The inside of our building has had a huge makeover and ongoing renovations are still the norm as we make use of the time that many of our brethren are unable to come to church. Ceilings, walls, hallways, the main foyer and the concert venue have all been painted. We are gearing up for the next stage of lockdown restrictions to hopefully be eased so as to see the church back, close to capacity as much as will be permitted.

Pastor Elliott had already measured exactly (to the person) how many people could be in each separate space. Chairs socially distanced, hand sanitizer stations at different points throughout the church, even temperature testing for everyone who enters the Footscray Church building.

We have still been outreaching on the streets of Footscray on Saturday mornings, the only difference now is that it is mandatory to wear face masks. It does seem a little strange but still God is still faithful to help us, we have seen people saved regularly.

As this report is written, the state of Victoria (with its 6.5 million people) has for the first time completed 14 days in a row with not one new Covid infection and no deaths since Covid records began. We as a Church have been praying that we will be able to come out of these lockdown restrictions very shortly and once again “not forsake the gathering together as is the manner of some.” (Hebrews 10:25).

We look forward to our Melbourne Conference in December. Thank you for your prayers. Please continue to pray for the Footscray Church as we pray for you.

Immediately after conference we were back on the street proclaiming the Gospel. Our Tuesday night outreaches have seen souls saved and backsliders returning.

We had a door open in the local township in Slovo Park for Bible studies and movies. With one of our pastors heading that, we saw more than 40 souls saved.

We want to thank our mother church in Prescott, Pastor Greg Mitchell and Sister Lisa, for the investment made in South Africa and all the pastors that are laboring with us.

Pray for us as we continue to pray for you.

from our various Livestreaming platforms (regular weekly services, Home Bible Studies and support groups for parents and singles).

Pastor Elliott has challenged all of the Livestream crew to do the best we can. In conjunction with prayer, hard work and the anointing of the Holy Spirit, we can continue to see a professional Livestream reach into the hearts of all who would log on.

During these last few months Pastor Elliott has invited some of the area-wide pastors throughout Victoria to come and preach. On Sunday nights, sometimes with different series introduced, they preached such messages as “Pastor’s life before Christ,” “Supernatural Sundays,” and “Something to Sing About.”

We saw the number of users steadily increase to record numbers when it came to people logging on to our Friday night Home Bible Studies series, first with “Overcoming life” and then with “Bible Prophecy explained.” These brought out a myriad of interesting and sometimes challenging questions for

Footscray, Victoria, Australia
Potter’s House
Pastor Darryl Elliott
Corres: Geoff Stowers

Greetings from Melbourne. We are excited to let you know that God is still moving in the Footscray Church. Even though the

Pastor Wayman Mitchell in Footscray, Australia

Hurstville, NSW, Australia
Potter's House
Pastor Darren Munzone
Corres: Nina Samy

G'day from Hurstville, Australia.

We have been so privileged by God's blessing in our church this season. Our monthly prayer meetings have led to God moving in miraculous ways. Many people have had financial breakthroughs this season, from new jobs, pay raises, to a couple from our church receiving a free car. God is so good!

Our church concerts and outreaches have been a huge success, and we are seeing lots of young people being saved and living for God. We had an Islander Night outreach, which showcased the cultures of the South Pacific Islands. The outreach saw more than 100 first time visitors and 50 people getting saved.

My family and I so value and appreciate Pastor Wayman Mitchell, his wife Nelda and family and the Prescott Church. I was privileged enough to have had several opportunities to fellowship, write sermons and ask questions of Pastor Mitchell in person and receive from his ministry.

One fond memory was a few years ago I was morning MC at the Beechboro conference when during the morning seminars I was sitting at the back next to Pastor Mitchell.

No doubt the preaching was

outstanding, however, Pastor Mitchell fell asleep on my shoulder. I didn't really know what to do and didn't want to wake him up, so I just sat still for about 30 minutes until he woke up

and said quite loudly "What did he say??" Within minutes he was up and ready to preach the next seminar. It was a funny moment but one that I will cherish.

Thank you Pastor Mitchell for all the great memories, the legacy, discipleship and a great future for our fellowship.

Testimony - Marty

Born into a Catholic family, I had a good childhood and good parents and all the things most kids could ever want.

At the age of 15, my mum left us unexpectedly and I began to ask questions and began to lose trust in everyone.

My father did all he could to raise me and my brother the best he could but as a 16-year-old young man, my

drug use was a weekly occurrence and I would get into relationships purely for my own satisfaction. I became a dad at 27 but continued using drugs and going out every weekend, I was never around and I never put any effort into my relationship because I did not trust my partner, even though she did nothing wrong.

By 30 years of age I was using \$800 worth of drugs weekly and had a drug addiction to the point that I was using every day without fail and spending over \$2000 a week on cocaine.

I tried several times to commit suicide and was kicked out of my house because I could not be trusted anymore around my kids.

I attended daily meetings for drug users and daily counselling to overcome the addiction, but to no avail. It

Marty before salvation

Marty and family, saved, married and serving God

heart desired fulfilment from the world and its pleasures.

By the time I was in my mid 20s,

answered the phone told her that he was not a drug counselor but a pastor from The Potters House, that God

wasn't until my partner tried ringing a local drug counselling service only to find out it was no longer there. However the man that answered

could definitely help me with my addiction, and that I should come to a revival that was on that night.

I went there looking for anything that would help me as I no longer wanted to live. When I got there I sat down and heard that 2000 years ago Jesus was crucified for my sins and that if I believed in him and confessed that he is my Lord and Savior I would be forgiven and set free from all my addictions and be given a new heart.

On July 30 of 2019 I answered an altar call and gave my life to Jesus Christ. From that night I was no longer the same man. I was free of anger and trust issues and was free from the bondage of drug use.

Since then God has restored my relationship with my partner and I was baptized not long after. I married the mother of my children less than a year after I got saved.

Kasama, Zambia
Potter's House
Pastor Christopher Nkatya
Corres: Alinje Nkatya

Greetings from Kasama, Zambia. We are so excited about what God is doing in Kasama.

In July 2020 we started Sunday afternoon movie outreaches where many youths were saved with several being locked into the church.

New converts baptized in Kasama, Zambia

On one of the Sundays people shared testimonies, drama and music at the end

of which we had one decision for Christ.

On November 9, 2020 we had our water baptism where we baptized four converts. We now plan to include this in our monthly calendar.

We give God the glory for what He is doing. Please continue praying for us as we take Kasama for Jesus.

Maseru, Lesoutho
Potter's House
Pastor Tsefo

Greetings from Lesoutho, the Mountain Kingdom.

We are a baby church of Eldorado Park, South Africa. They planted a missionary couple 10 years ago and

Maseru, Lesoutho congregation

Maseru Main has been nationalized for two years.

Our country is rural and mountainous, one of the poorest nations, but rich in souls! We want to give a report of the good things God is doing.

P a s t o r

Lloyd Hermans brought a team from Eldos recently, Eldorado Park's first

international outreach since lockdown.

Saturday, we had a Men's Class, with a great group attending.

Saturday night, there were 51 in attendance, five saved, and seven healed.

Sunday morning, we had 65 attending, with God touching many, breaking that lockdown spirit. Thank God for His faithfulness.

We also had a baptism with 10 new converts.

We send appreciation to our mother church in Eldos, from your sons and daughters.

Thank you Pastor Banet for your continued help and counsel. Thanks to Prescott for your vision for World Evangelism, that sent a couple to South Africa.

Mandaluyong, Philippines
Potter's House
Pastor Alberto Desepida

Greetings from Mandaluyong Church, Philippines.

Despite what's happening in the world, we are so thankful that our Lord and Savior, Jesus Christ, continues to sustain His Church for her to take the regions beyond for His name.

The Philippines holds the record of having the longest lockdown because of the Covid-19 pandemic. Since March this year, the government banned mass gathering but still

Pastor Wayman Mitchell's last visit with Mandaluyong church, May 2019

job and he came on the next Sunday morning and was gloriously saved! Jesus has begun putting his life back together and he's been coming to everything since!

Last night a couple of our Home Care groups did an outreach in an area not far from our church building and 57 people responded at an altar call.

About two weeks ago on a Saturday morning we saw 61 people saved in regular Saturday morning outreach.

That was quite a reasonable Saturday morning result although not rare by any means!

Recently we had a Suva area baptism at Pacific Harbour where we baptised 27 new converts. We had more than 200 people attend the baptism where we baptised people, sang, testified, preached and then everybody ate, swam in the beautiful warm Pacific Ocean and played beach rugby!

We have now launched out our newest couple, Pastor Kishan and Joti Sami, a young couple going out to an area about 19 miles from Suva called Navua. Already they are seeing people in the area coming along to their Bible studies.

In the near future we are going to do an opening Healing Crusade with a 200-plus people invasion team. We expect to visit every home in the Navua / Pacific Harbour area where the church is on the day of our invasion team.

Pastor TJ Motokula and his wife Sophie, who celebrated their 7th launching anniversary in October, have been seeing God move and help them in the Raiwaqa area. That's pronounced RAY-WON-GA. I know, it's a Fijian name and doesn't make sense to an English speaking person!

Pastor TJ had 70 of his regular saints in attendance for his anniversary service with a number of his regular people away. God is helping the Raiwaqa (also known as Grantham Plaza) church. They have been having regular services in the low 70s. Pastor TJ is hoping to plant his first church in our next South Pacific Conference to be held in August 2021, hosted by our church in Suva.

In a pastoral change in our Lautoka

the Gospel can never be locked down as God showed us ways to do it.

We used our church vans for evangelism by shuttling people from where they live to where they work, and many have prayed the sinner's prayer along the way. These past few months, we are able to street preach every week and people are responding to the message of salvation. Our youth ministry continues where 25 to 30 teenagers attend their regular Bible study and discipleship classes.

We were able to hold our conference last November 9 through 13, and although our capacity was limited because of government lockdowns, we had a very powerful and insightful conference. Only 250 people were allowed to gather in our newly renovated building, but the presence of God was manifest as His Word was delivered to us by our guest speakers, Pastor Greg Mitchell, Pastor Paul Stephens, and Pastor Jesse Cluck.

Their sermons, along with our local leaders' sermons resonated not only in our building but in many of the churches that gathered together while the conference was being conducted.

Many of the churches here have demonstrated their solidarity with us as they respond by opening their churches so that the brethren who could not come can be ministered to. We are now receiving reports that many of their people were being baptized in the Holy Ghost and couples responding to the call to pioneer as they watched our services online through Livestream.

The highlight of our conference was the announcement of two couples to pi-

ioneer; one in Tanh Phu, Ho Chi Minh, Vietnam and one to Singapore, while five couples were sent out to pioneer locally.

We are forever grateful that Pastor Wayman Mitchell obeyed God's mandate; his obedience resulted in many Filipino lives being changed and being used for the glory of God.

We will never forget how Pastor Mitchell would always show his affection for us, that despite his age, he would still come once every two years for our conference and preach in our church the Sunday before or after conference. What he had faithfully imparted to us will never be in vain as we are seeing the fruit of what he had taught us - men and women responding to the call of God, churches being planted, and nations reached for our Lord Jesus Christ.

Suva, Fiji is alive and well during the Covid-19 pandemic!

Recently we have been seeing visitors and new converts coming into our services regularly. God is bringing in both single people and families. We have seen an increase of young people getting saved and coming back.

Recently a truck driver named Joseph, who didn't want to talk to anyone at work, heard a man in our church say to him, "You need to come to church on Sunday!" Joseph then received a follow up phone call from our man on the

church on the other side of our island, the new pastor, who was a disciple in the church, has also been seeing some great results.

In the most recent Sunday a.m. service he saw 56 people in attendance and new people are coming in every Sunday. Pastor Quentin Sword and his wife Adriene have been busy with all kinds of new outreach ideas which has injected some serious momentum into the

is what God means when He says *“and the LORD will make you the head and not the tail; you shall be above only, and not be beneath,”* Deuteronomy 28:13

Last Saturday night on November 14th we hosted our very first Battle of the Bands which saw our building packed out with five of our Suva area bands and one band from the western side of the island competing to be winners of the Battle of the Bands. We

and testimonies. Part of this great man continues to live right here in the hearts of the island nation people of the South Pacific.

I would like to convey our sincere appreciation for all the interest and the authentic heart he had for our nation and our people.

We are looking forward to seeing his personal investment continue to grow in the years to come!

Drama during outreach in Suva, Fiji

**Eagle Vale, Sydney, Australia
Potter's House
Pastor Adrian Sciacca**

Greetings from Eagle Vale, Sydney, Australia!

We had the privilege of being launched out of the 2020 Australian Bible Conference from our Mother Church in Hurstville into the City of Eagle Vale.

While Covid-19 has had a drastic impact on most areas of life this year, God has been on the move and has been helping us.

church. This couple are aiming at being full time in pastoral ministry as soon as possible. Their enthusiasm for their church has made a radical difference in the 12 weeks since they have taken over. We are looking forward to great results in the Lautoka church.

About two weeks ago we had a Fiji wide marriage seminar at the Pearl Resort, about 45 minutes out of Suva on the Coral Coast. We normally have a marriage breakfast every June which I preach. This year due to the Covid-19 travel and gathering restrictions we couldn't hold the breakfast in June. so now that we are free to meet again we held an overnight, two session Marriage Seminar at the Pearl Resort. I initially thought we might have 10 – 15 rooms booked but we booked 64 rooms and a good number of couples drove out to the resort from their cities for the seminars. God is helping us in spite of the economic disaster that has struck Fiji.

I think that you get the idea that there is generally an excitement and expectancy here in our Fellowship in Fiji. When all the signs are pointing to decline, God is giving us increase. And I guess that

saw many visitors and people getting saved during the outreach.

I would like to take this opportunity to recognise the influence, encouragement and support of our Founding Leader, Pastor Wayman Mitchell. Personally, he continually encouraged us in our calling to Fiji and his heart was in our work.

We had the joy and privilege of having Pastor Wayman Mitchell come back and preach our South Pacific Conference in 2017, his seventh and final visit to Fiji. It was a tremendous blessing to our South Pacific saints which came in from six South Pacific nations to meet our founding leader and hear him preach at our conference.

Pastor Mitchell took time to talk to our people and he was genuinely intrigued by their simple island life stories

Young congregation in Eagle Vale, Sydney, Australia

We opened the doors to the church in June this year and began having church in our home.

From the first service, God has been faithful to us with ensuring we had people in each of our services. Between June and July, God began to bring people from all different backgrounds who were getting saved, converted, and inviting their friends and family as well. During this period we would often see services with between 10-14 people regularly attending.

In late July, we received the keys to the school hall of a local high school where we have begun to see numbers of teenagers, school students and members of the local gangs come out, get saved and begin to get connected to church.

Our new converts are hungry and excited for the things of God and are regularly attending outreaches and impact teams, with a desire to see God change someone else's life!

God has been continuing to help us since moving our church service out of our home to our school hall with services of between 15-20 people, with people faithfully giving into offerings and decisions in most services.

It has been a very exciting and rewarding time and we are excited to see all that God will do as we enter 2021!

Please pray for us as we pray for you!

**Taichung, Taiwan
Potter's House
Pastor Dave Swartz**

Greetings from Taichung, Taiwan, where we have liberty to preach the Gospel.

While Taiwan reminds me a lot of our time in China, it also is very different. Ancestral worship is practiced quite openly, and Buddhist temples are seemingly everywhere. It's not unusual to catch a whiff of burning (fake) money offered up for dead ancestors.

During Ghost month, people leave food out for their dead family members to consume. They fear being haunted if no food is available for their dead ancestors. However, there is a liberty to preach the Word of God.

We can openly evangelize, street preach and pray for people. There is an openness to foreigners, especially to Americans.

We arrived in January, taking over from the Pepich family, and got here just before the borders were closed. It has been the grace of God against Covid-19. Although the border is still currently closed, Taiwan never locked down their economy and the number of virus cases has been extremely low. There have been some restrictions, but only minor ones, giving us freedom to meet for

church services and Bible studies.

Recently a young man (Chuck) at the local university got saved and has been faithful to church and outreach. I asked him what he's telling people when we are on outreach. He said, "I tell them we are a new church in Taichung, and they can join us and be a part of what God is doing in Taiwan."

Street outreach in Taichung

I want to give God glory for using Pastor Mitchell to speak to us during his sermon on Monday night of conference in July, 2012. He preached that this is the time for the gentiles and mentioned the great opportunity and potential in China. I shared my desire to respond to that need with Pastor Greg Mitchell, and we were sent out that week. Those words by Pastor Mitchell resonated in my soul, and I thank God for his challenge while the door was open. It was a tremendous blessing to serve in China and experience revival there.

Now we are contending for revival in the Republic of China - Taiwan. Thank you Pastor Greg, the Prescott church, and Pastor Terry Haynes for your vision and investment in this precious nation.

**Tokoza, South Africa
Potter's House
Pastor Lubabalo Qotoyi**

Greetings from Tokoza Potters House church!

God is good all the time! The year 2020 has been a year where many things have changed but God remained faithful to us and has continued to bless us as the church in Tokoza.

In the midst of worldwide pandem-

ic God has been with us. Families and all the people in our church have been overshadowed by God. People in our church have continued to trust God with their finances and God remained faithful over and over again by blessing His people.

One highlight is that one of our sisters who got saved in January 2016 and she has been coming to church faithfully since then. She had a special prayer request to get her own house. She has been on the waiting list for 24 years. The department of human settlement that is handing out government houses to those who qualify has been always involved in corruption. That has resulted to many people not getting the houses that are allocated to them.

When we had our prayer and fasting in July she came with her well known prayer request and we believed God. In less than a month the human settlement department contacted her and she got her house. Praise God! Our sister has got the victory. God is still answering prayers.

I would like to cover briefly how Pastor Wayman Mitchell impacted my life.

I first saw Pastor Mitchell in 2002 South African Bible conference in Eldorado Park. He preached at the Bible conference and challenged us to rise up and preach the Gospel in our nation.

At the time I was unemployed. As he preached, he challenged us to see the possibilities of God. I took the challenge and decided to believe God like never before.

On Monday morning after Bible conference Pastor Mitchell with Pastor Greg visited the Fellowship churches in Johannesburg area. They also paid a visit to my mother church, Eden Park that was pastored by Pastor Robert Polaco at the time. I was taking care of the tent at about 10:30 a.m., people already left after Morning Prayer.

I welcomed Pastor Mitchell and Pastor Greg inside the tent, I was very excited to see Pastor Mitchell closely. He greeted me warmly, asked a few things and lastly asked if I want to preach the Gospel I told him yes, but my challenge was to get a job, it was a challenge at the time due to higher unemployment rate.

Pastor Mitchell told me God will make a way. I believed his words, God

did make a way for me, and I got the job, got married, and now I am in ministry since 2007. His words impacted me. They carried weight. It was not just empty words in my head, I believed his words because I knew Pastor Mitchell heard from God and it came to pass at the appointed time.

Thanks be to God for Pastor Mitchell's obedience to the call of God and his heart to see nations of the world saved through the preaching of the Gospel of Jesus Christ.

**Valparaiso, Chile
Potter's House
Pastor Fernando Abalos**

Greeting From Valparaiso, Chile. First I want to express my condolences and sympathy on behalf of everyone in our Churches here in Chile, for the loss of our spiritual father and founder of our Fellowship Pastor Wayman Mitchell. We continue to pray for the Mitchell Family and the Prescott congregation and all those who have lost family and friends to the Coronavirus.

We are thankful for God's faithfulness. Pastor Wayman Mitchell left a great testimony with the saints here in Valparaiso. The Church has many great memories of the yearly Miracle Healing Crusade for the past 19 or 20 years in Valparaiso, with many people healed, saved and delivered every year.

This past year it was very challenging and full of surprises. As a church we are out of total lockdown since May of this year. We were unable to meet for eight months.

Through this difficult time we have been able to keep ourselves connected as a church via YouTube. The folk found ways to do visitation with some departed brethren. And we have three families coming out through that. We seen people saved during the quarantine.

We started three Bible Studies and we are now evangelizing with music, drama, and testimonies, and street preaching.

We were able to send a couple of disciples in August to help outreach in one our baby works in Villa Alemana. It was a great time and 25 people got saved.

That really encouraged all of us.

We have also had some open air church services and people have responded, with 12 people getting saved.

We have scheduled a monthly Men's Discipleship class once a month with our pastors from Villa Alemana and Santiago on a rotating basis. We had a good response for our first class with one person getting saved.

The church is also excited about the remodeling of our building that we started in November.

I want to thank my Pastor Louie Lobato Jr. and the Yucca Valley congregation for their prayers and support. I pray for our sister churches and grandbaby churches that continue to invest in the work here in Chile. Pray for us we continue to pray for all of you.

**Willeton, Perth, W Australia
Potter's House
Pastor Paul Graham**

They say that the first impression always last the longest.

The first time I saw Pastor Wayman 0. Mitchell was at a Four-square convention 1980 in Perth, Australia. I had only been saved a few months and out of curiosity of seeing a real live American preacher, I attended.

He was short and dressed as I expected from someone from USA.

During that week my wife and I attended a few more meetings. This American preacher was different and always to the point. There was a Godly self assurance and a clarity, a dominion about his messages and his ministry. I was struck by the contrast, even as a raw new convert. There was something different and unique about this man from a town called Prescott, Arizona.

A few months followed and we were invited to a parenting film series. My wife and I attended with our little girl and a lady called Nelda came and asked if our daughter would like to go to nurs-

ery. What a nice kind lady.

We attended a few more weeks and decided one morning that we would stay on for the morning service. Immediately we were struck that this wasn't some churchy youth-group thing, but a youth revival. It was different, it was electric, it was on FIRE - AND WE COULD BE A PART!

Pastor Mitchell's preaching brought with it life applications that worked for people like me and my wife. We were being challenged about our lives and living for Christ. Pastor Mitchell preached that we could walk in "newness of life."

I decided one Sunday afternoon to go early to the building in Walcott Street to see for myself if what was happening at this Potters House was for real. Pastor Mitchell had been encouraging people to come to prayer meetings one hour early before service, something I had never heard of or seen in my previous but limited Christian experience. I arrived early at the building before prayer and found Pastor Mitchell unlocking the front door. I said hello and he looked a bit surprised at seeing me there. Not only had I come to see if this was all for real, I also had been wanting to ask him

Early photo of Pastor Mitchell in Perth, Australia

a question I had been confused about. "Can a Christian rock concert also be a Church service?" Without missing a beat, he said NO. I turned and walked into the back area of the building and began to pray. I had never met a man with such conviction about what he believed!

Thank you Pastor Mitchell for your exempliship and investment into Australia.

Christian Fellowship Churches presents...

Wayman Mitchell Memorial Tour

The Bible Land Experience

November 9-18, 2021

Departing Cities

Los Angeles \$3,325 Land and Air

New York JFK \$3,175 Land and Air

\$2,300 Land Only

Dear Friends,

Over the past centuries, Jews have cried, "Next year in Jerusalem," to express their longing for the land of Israel. It has been 3,000 years since David captured Jerusalem from the Jebusites, who were descendents of Melchizedek. This year, we will be privileged to visit Jerusalem and fulfill what millions of Jews were unable to do. For this, we are thankful, as we recognize that we live in "Messianic Times" when the coming of the Lord draws near. We invite you to join us on this visit to the land God promised to Abraham, Isaac, and Jacob, and made holy by prophets of God, by our Savior Jesus Christ who died and was resurrected there, and by His disciples. We are planning to make this a memorable trip for you, to let you feel with your heart as you stop in ancient holy places and are informed about scriptural events. Come join us on this inspirational, testimony-building tour of Israel.

Sincerely, Pastor Richard Cox
