Allen Parish Genealogy Society is keeping family file folders, which contain family histories, pedigrees and family group sheets, newspaper clippings, and other items of interest. These offer an excellent source for research. Anyone interested can get further information from any Society member. The Library will stock the necessary forms, and any member will be glad to assist you.

All new members are asked to supply a five-generation Ancestor Chart, which will be kept in a file in the Genealogy Room of the Kinder Library, and plans are to compile these into a book. A blank five-generation ancestor form is included in each issue of CrossRoads. The Society will accept items of interest to publish in CrossRoads; copies of Land Records, Wills and Probates, Marriage Certificates, and copies of Obituaries are some suggestions.

 The research Department of the Library now has Rev. Heberts' CD of his Records of SW LA; CD of Confederate Civil War Veterans, and also has the Allen Parish 1930 Census Microfilm, plus Microfilms of older issues of Kinder newspapers.

Society News:

Congratulations to Jim and Jackie **Potter on the birth of a new grandson; **Ethan Jon Potter**, born May 12, 2006. He weighed in at 9 pounds 2 ounces.

KHS Yearbook Project still in progress. We are still in need of items for the yearbook.

Another on-going project of the Society is: Recording, documenting, and up-dating of **Allen Parish Cemeteries**. Our thanks and appreciation to member **Jim Potter** and his wife, who are currently recording and up-dating **Carter Cemetery** in Kinder, LA

The **Indian Village Cemetery** was recorded and up-dated with much family history, last year, by **Bill Fawcett**. The **Lyles Cemetery**, Reeves, LA, has also been up-dated (thanks to **Nancy Fruge**), and compiled into a book loaded with family history (thanks to **Glynn Lyles** and **Ms Annie Reeves Parker**, of Barnes Creek), and to **Ethel Sacker** for putting the book together.

The **Kingrey Cemetery Book** (Barnes Creek) is complete and for sale. **Pine Chapel Cemetery**, and **Reed Cemetery** in Oberlin, and **Oak Hill Cemetery** near Oakdale, LA are being updated. Many people who have family buried in these cemeteries, are contributing information toward this project. We are grateful for all help. It is a valuable contribution to recording the history of our area.

All these are put into individual books and sold by the Society. Inquiries can be made at the Kinder Library.

The following projects have been put on hold due to lack of help:

1. WW1 Registrations of Allen Parish
2. Ancestor Charts (work on these has slowed down)
3. Obituaries of Allen Parish and related areas (still collecting, but progress is slow)

Please note the change in our monthly meeting date: **FIRST TUESDAY** of each month.

Annual membership dues are now: \$15:00

'CrossRoads' goes to : **Donna Blaisdale of Lumberton, Texas [formerly of Oakdale, LA]
She and her co-workers celebrated the opening of their new Library in Kountze, Hardin County, Texas. Congratulations, and we hope to visit in the future.

'CrossRoads' goes to: **Maxine and Johnny Wallace of nearby Little Mills Settlement.
Johnny is now President of the Green Oak Cemetery Association. He and Maxine are doing a great job, and a wonderful service to our community.

CrossRoads' goes to: **Nancy Fruge of Tupelo, Mississippi
Nancy has been one of our Society's most loyal and supportive member from our beginning. She has contributed many files for use in Allen Parish Library and for our Society.
Many thanks to Nancy; we hope for a visit from her soon! She is always looking for another Cemetery to record. Lucky Mississippi to have her help!

From The Oakdale Journal – Thursday, August 29, 1963

Tax Assessor's Office
Allen Parish – 1913 – 1963

The operation of the Allen Parish Assessor's Office began on January 1, 1913, when David Cole assumed his duties as the first Assessor of Allen Parish. The following is a list (up to 1963) of the different Assessors who have served in Allen Parish with their tenure of office.

David Cole	Jan. 1, 1913 to Dec. 31, 1916
Conrad C. Cole	Jan. 1, 1917 to Dec. 31, 1924
Pierre Lacase	Jan. 1, 1925 to Dec. 31, 1936
Otis F. LeBlanc	Jan. 1, 1937 to Dec. 31, 1956
Eldridge J. Hance	Jan. 1, 1957 to -----

Following is a periodic list of the Assessed Value and Taxes levied for Allen Parish for different years from year 1913 thru 1962.

Year	Assessed Value	Taxes
1913	\$ 5,096,010.00	\$ 136,027.85
1916	4,738,060.00	200,152.36
1920	18,280,845.00	491,748.75
1924	12,613,925.00	423,251.97
1928	8,532,384.00	389,207.36
1932	5,924,901.00	339,354.00
1936	4,755,508.00	193,766.87
1940	4,660,011.00	189,670.23
1944	5,020,533.00	134,337.15
1948	6,295,129.00	279,828.95
1952	8,092,190.00	429,644.83
1956	10,877,510.00	621,741.32
1960	14,562,080.00	1,021,531.30
1962	16,044,980.00	1,090,210.00

As will be noted from the above the highest assessment for Allen Parish in that period was in 1920. This was the period when there were several large Sawmills in operation in the Parish and it was the assets of these mills that was the primary reasons for this high valuation. A further check will show that from 1920 through the year 1940 the assessments steadily declined. This was due to the closing of the Sawmills and the depression years. Since World War II, the assessments have steadily increased, ordinarily because of new industries having located in the parish.

The first four Tax Rolls of Allen Parish were completed in long hand. Since 1917 the Rolls have been typed. The operations of the office have continuously been modernized to keep up with the change in time. With the present diversified types of properties in Allen Parish it is anticipated that the trend in assessment will be more stable in the future than they were in the twenties when most of the assessments depended on one type of industry. The general property or ad valorem tax is one of the oldest sources of revenue utilized by government and is a major source of revenue for local government; any diminution in the tax base presents a major problem.
