Allen Parish Genealogy Society is keeping family file folders, which contain family histories, pedigrees and family group sheets, newspaper clippings, and other items of interest. These offer an excellent source for research.

Anyone interested can get further information from any Society member. The Library will stock the necessary forms, and any member will be glad to assist you.

All new members are asked to supply a five generation Ancestor Chart, which will be kept in a file in the Genealogy Room of the Kinder Library.

A blank five-generation ancestor form is included in each issue of CrossRoads.

Of interest:

The Society has started collecting and filing Obituaries and plans to compile these into Book form in the future, and will accept any obituaries donated.

We are making good progress on indexing Bro. Leeds Church records and plan to compile all records into several volumes, according to specific churches. This will be announced at a later date. These volumes will be available for sale to anyone, and it is not too early to put in a request for the books when they become available. The Kinder Library will keep a record of requests.

This year, 2003, is the Centennial of the establishment of the Town of Kinder. There will be activities in conjunction with the Bicentennial of the State of Louisiana.

Council Meeting

At the special meeting of the Village Council Tuesday night, P. E. Moore, census enumerator appointed at the last meeting, presented his certified report showing that he had found a population in excess of 1000 inside the village limits. This was found correct by the Mayor and Council, and the clerk was instructed to forward the same to Governor Sanders. This population entitles Kinder to advance to the "town class", and the Governor will doubtless issue his proclamation to that effect at an early date. This will entitle Kinder to five aldermen, and it is likely the necessary steps will have been taken to provide for their election at the municipal election in April.

A resolution was adopted directing that the necessary legal steps be taken to have the Frisco Railroad Company provide for the necessary drainage under their tracks on Eighth Street. The Council is to be commended most heartily for this action, as drainage is one of the essential factors in the health and sanitation of the town.

The Kinder Gazette
March 9, 1911

KINDER IS NOW A TOWN—was so proclaimed by Governor Sanders Monday

Mayor R. E. Oden on Tuesday morning received from Governor Sanders a copy of his proclamation issued the day previous, declaring Kinder advanced to the town class, entitling her to five aldermen. This was received very opportunely, as the additional aldermen will be elected at the regular municipal election, April next.

The regular monthly meeting of the Council was attended by Mayor Oden, Aldermen McKill, Nevils, and Simpson, Clerk C. C. LaFleur, Attorney Odom, and a great many citizens.

From the Editor---Space did not permit printing the entire article—however these names were mentioned in the article: Messrs. J.J. Kingrey, D.T. Slocum, and T.T. Nixon, selected as commissioners of the election; A.N. Miller for clerk, and Marshall Davis as deputy of election.

The Octave & Evia Savant Oak

MEMBER, LOUISIANA LIVE OAK SOCIETY 1986

An Indian Village live oak tree has been admitted to the Live Oak Society, an organization of century-old live oak trees. The Octave and Evia Savant Oak is located two miles east of Indian Village, on that portion of the old Savant home place owned by the late Lorie Savant Chatham.

This tree is 17.4 feet in circumference at the trunk, and a limbspread diameter of 106 feet. A minimum of 17 feet trunk circumference measured four feet from the ground, is required for member in the Live Oak Society.

This picture was taken with a 35mm camera by Charles "Billy" Reynolds. The oak is so immense the picture had to be taken in three parts and then pieced together so he could get a photo of the entire tree.

The only surviving Savant family members, who grew up under this tree, are Mrs. Nellie Reynolds of Kinder and Mrs. Odelia Lawrence of Austin. They each have camp houses near the old tree.

One of the strangest letters is *Ϟ* which is actually a capital C. A misreading of it lead to a controversy as to whether John Durant's wife was Sarah Jooke or Sarah Tooke. Although the initial letter of her surname in the 1684 marriage record did resemble both J and T it was nonetheless C; her name was Sarah Cooke. Such misreading of records are obviously disastrous to research.

Other early letter forms included:

$\bar{i} = c$	$\kappa = h$	$\epsilon\eta = k$	$\beta = t$
$\mathcal{D} = d$	$\mathcal{Z} = l$	$\mathcal{H} = r$	$\mathcal{U} = u$
$\mathcal{A} = ds$	$\rho = s$	$\mathcal{V} = s$	$\omega = w$
$\mathcal{D} = e$	$\mathcal{L} = l$	$f = t$	$\mathcal{W} = w$

What letter is it?

Certain letters were formerly used interchangeably: i and j, i and y, and u and v. Others could be easily confused: a and o, e and i, e and o, L and S, and m and n. Whole words like seventy and twenty were often look a likes. Numerals, too, resembled each other in certain forms, especially the 1 and the 7.

pleasant memories of it.

The value of the Southern Rice Growers' Association, the farmers' selling agency, has again been demonstrated. The latter part of last week the association closed the sale of a quarter of a million bags of rough Japan rice on a basis of \$2.75 for No. 1. This practically cleans up all the rough Japan in the hands of the farmers. Five of the purchasing mills are in Louisiana and one in Texas.

Jim Bailey, erstwhile candidate for lieutenant-governor, congressman, etc., told a newspaper reporter in New Orleans recently that "Jim Bailey is not saying anything or doing anything," but is simply a "looker-on in Venice." Good boy, Jim. Keep it up and we'll all be satisfied.

The force of habit is certainly strong. The grand jury has found four indictments for fraud in the recent judicial election in New Orleans, in which there was but one candidate—Judge Sonerville for the supreme bench. Wouldn't that jar you?

A branch of the Good Government League with fifty members, was organized at Vinton last Thursday night, following a meeting addressed by Attorneys L. H. Moss, J. A. Williams and T. F. Porter of Lake Charles.

U. S. Senator (pro tem) J. R. Thornton has returned to his home at Alexandria.

New Church Bell.

A new bell with a pure, sweet tone has been hung in the belfry of the Congregational church at Kinder. As it will be rung regularly before each service, the plea that the old clock stopped will not excuse your non-attendance at church.

Opening Seventh Street.

Seventh street is being cleared, the tree tops burned and stumps pulled, and will soon be in good shape for travel.

Mr. W. J. Sbisn, of the Kinder Drug Co., Ltd., is manufacturing and putting on the market a preparation known as ant tape and ant paper, which is a sure safeguard against these pesky and destructive little insects. He is wholesaling quantities of it, making frequent shipments throughout Louisiana, Texas and Mississippi, and each package advertises Kinder.
