

AMERICAN LEGION

Vol III, Issue 10

POST 82/INGLEWOOD

November 2025

Membership renewals for 2026 due

The American Legion membership year ends on December 31, so if you haven't yet renewed for 2026, your membership will technically expire at the end of the calendar year. The month of January serves as a grace period, so on February 1, your 2025 membership will be considered expired.

As of this writing, we are at 61 percent of our membership for the year with our next goal of 65 percent due on Veterans Day. We'd love for all of our members to get their renewals in so we can focus on the veteran-related events listed below.

Let us know if we can do anything to help you get renewed.

Support Wreaths Across America in Nashville

The 2025 Wreaths Across America event will be held December 13 at the Nashville National Cemetery. Live wreaths will be placed on veteran headstones in remembrance of their service to this nation.

The American Legion Riders from Post 88 sponsor the event

each year by adding a third wreath for any donor who purchases two using their unique link, found [here](#). The wreaths are \$17 each, so a \$34 donation through 88 ALR nets three wreaths.

Make plans to join us for the wreath laying at 11 a.m. on Dec. 13.

Upcoming in November
