

# AMERICAN LEGION

POST 82/INGLEWOOD

Vol II, Issue 11, November 2024

## Post 82 Color Guard Makes First Appearance

Post 82's color guard posted the nation's colors at a meeting for District 5 of the Tennessee American Legion in the first appearance of the newly-launched group.

The post is working to acquire all the necessary equipment to sustain a color guard and will eventually develop an honor guard capable of serving at military funerals as well. We will begin by purchasing harnesses and other equipment for

the color guard and we will request rifles for use by the honor guard. Color guard and honor guard capabilities will allow us to sustain our Americanism and veteran pillars.

The group holds practices on Saturday mornings at 10 a.m. and Tuesdays at 6 p.m. Let us know if you'd like more information.

The officers are discussing options for helping to cover uniform costs for consistent participants.

## Turkey Shoot Gets Upgrade

The Turkey Shoot range got an upgrade last week in the form of a new concrete shooting platform.

Shooting happens every Saturday and Sunday throughout November and December. Signups begin at 11 and the range goes live at noon. Cost is \$30 for 10 rounds and all ages and ability levels are welcome.

Come join us!

*Right: We're working to be a third place for those in our community. Most of us have two places where people would miss us if we didn't show up: home and work. We want to be your third place, where people miss you when you aren't there.*

## Veterans Day Details

Post 82 will participate in the Nashville Veterans Day parade this year on November 11 at 11 a.m.

We will have a vehicle available for those who would like to participate in the parade without walking the route.

We will also host an open house at the post with food and fellowship following the parade.

If you'd like to participate, we will meet at the post at 8 a.m. on Monday morning to ride to the parade site together. Open to Legionnaires, Auxiliary, and Sons.

**Our next Post 82 members' meeting is November 14 at 1900 hours.**
