INTRODUCTION

OUR JOURNEY

Monic Electricals was founded in 1969 by Manohar Suresh Vazirani in Mulund West, Mumbai. Starting from humble beginnings, the company quickly established itself locally as a trusted electrical manufacturer. Over the decades, Monic's range has expanded from basic power strips to a wide selection of electrical accessories—multi-plugs, flex boxes, switches, sockets, two-pin adaptors, and more—while staying committed to quality and safety.

OUR MISSION

Monic Electricals exists to supply dependable, thoughtfully designed electrical products that power everyday life—both at home and in professional spaces—without compromising on safety or reliability.

Key mission pillars include:

- **Uncompromising Quality:** Every item—from flex boxes to sockets—is built to last.
- **Safety First:** Complying with industry safety standards and undergoing rigorous in-house testing.
- **Consistent Innovation:** Continually refining designs to improve functionality and meet changing customer needs.
- **Local Engagement:** Strategically serving the Greater Mumbai region from its Mulund base, offering timely support and personalized service.

OUR VISION

By 2030, Monic Electricals aims to be Maharashtra's most respected manufacturer of premium electrical accessories—known for superior quality, safety innovation, and deep regional influence.

To realize this vision, Monic is committed to:

- **Scaling Thoughtfully:** Expanding beyond Mumbai while upholding craftsmanship and local responsiveness.
- **Adopting New Technologies:** Introducing smarter, eco-conscious materials and processes.
- **Raising Industry Standards:** Leading with energy-efficient and user-focused products that set new benchmarks.

WHAT SETS US APART

- **55+ Years of Heritage:** A legacy reflecting trust, stability, and deep expertise.
- **Complete In-House Design & Testing:** Control over every manufacturing stage ensures consistency and safety.
- **Tailored Customer Support:** Being locally rooted lets us deliver swift service and build long-lasting relationships.
- **Forward-Looking Approach:** Balancing timeless products with modern enhancements and eco-awareness.
