STUDIO CLEANING

BD365 Clean works with some of the largest TV and Film Production companies and studios in Scotland and the rest of the UK, including Disney, Warner Brothers, the BBC, Channel 4 and STV, to name just a few.

Our credentials include working full-time on the sets and central offices for Tetris, Screw, Crime, Mayflies, Indiana Jones, The Flash, Outlander and Batgirl, as well as on other independent music, TV and Film productions. As well as providing TV and Film production cleaning services for the offices and welfare units, we have completed pre and post-shoot cleaning of internal and external locations, touchpoint cleaning, cast and crew holding venues, dressing rooms, prop storage, costume storage, and serviced accommodation units.

From conducting full-on biohazard needle sweeps of locations with nationwide coverage to ensuring that there is toilet roll, tea, and coffee on location, we take the hassle out of cleaning for you.

We include all the cleaning equipment and general cleaning supplies within our hourly rates as standard. We can also supply toilet rolls, hand towels, hand soaps, sanitisers, masks, etc., as requested, and other incidentals like bins, signage, etc., on a cost-plus basis from our extensive supplier base for you as well.

STUDIO CLEANING SERVICES THAT TRANSFORM YOUR ENVIRONMENT

Full-Day Cleaning - Comprehensive Care

Our full-day studio cleaning service is the answer for those seeking the pinnacle of cleanliness. From touchpoint cleaning to catering clean-ups, facilities management, and studio upkeep, we've got it all covered. Let BD365 Clean partner in maintaining a workspace that empowers your team to thrive. Your success story starts with a clean canvas!

Choosing our full-day cleaning service opens up a world of possibilities for your studio or production space. Imagine seamlessly reutilising dressing rooms, transforming them into multifunctional spaces catering to various needs. With hot desking environments readily available, your team can collaborate more efficiently and make the most of every inch of space, fostering a dynamic work environment whilst proactively working around filming schedules.

Moreover, our comprehensive cleaning service ensures spotless surfaces and enhances hygiene standards. This, in turn, reduces absences due to illness, keeping your team healthy and productive. Runners can easily navigate the set, knowing that every area is meticulously cleaned and sanitised.

ELEVATING EXTERIOR CLEANLINESS

Cleaning external locations is paramount when mitigating litter, germs, and dirt hazards.

Beyond the studio's confines, the cleanliness of outdoor spaces is a vital concern for the safety and health of your cast and crew. Our meticulous cleaning services remove litter and dirt and eliminate harmful germs, creating a safer working environment.

Moreover, our expertise is preserving the integrity of purposely dirty environments required for specific scenes. We understand the delicate balance between maintaining cleanliness and preserving the authenticity of your project's outdoor settings.

At BD365 Clean, we ensure that even in the grittiest outdoor locations, your team can work comfortably, free from hygiene concerns. Our commitment is not only to cleanliness but also to the success and health of your production.

SPECIALISED ON-SET SERVICES EFFORTLESS MAINTENANCE AND COMFORT

Portable Offices: Seamless Functionality, Impeccable Maintenance

Portable offices or cabins, like water and power management, often come with challenges. BD365 specialises in keeping these spaces clean, well-maintained, and fully functional throughout filming. We ensure they return to the supplier in pristine condition, saving you time and potential costs. Trust us for seamless, hassle-free, portable office maintenance.

Honeywagons and Facilities: Uninterrupted Comfort

Maintaining canteens and honeywagon facilities' cleanliness is vital for your production's success. BD365 Clean offers flexible cleaning schedules with no minimum contract length, keeping these spaces impeccably clean and hygienic. We also provide sanitary materials for added convenience. Choose us for a comfortable and hygienic filming experience, meeting the highest standards of functionality and cleanliness.

ON-SET SERVICES BEYOND THE STUDIO CLEANLINESS AND COMFORT EXCELLENCE

External Locations: A Clean Slate for Homeowners

When you film in someone's home, leaving behind a space that mirrors its original state is paramount. BD365 Clean understands the importance of this gesture. Our meticulous approach to cleaning ensures that external locations, even those within private homes, are restored to their pristine condition. By choosing our services, you show respect for homeowners and build trust within the community. Our expertise extends to various site locations, and we offer comprehensive services, including carpet cleaning and light maintenance. We provide peace of mind, leaving homeowners delighted with the results.

Cast and Crew Accommodation: Elevating Comfort and Hygiene

Beyond our renowned commercial cleaning services, we excel in housekeeping, enhancing the quality of accommodations for your cast and crew. Our housekeeping expertise ensures that the spaces where your team resides are always comfortable and hygienic. We go beyond cleaning and offer linen hire services, ensuring your team enjoys a restful stay. By entrusting us with cast and crew accommodations, you elevate their comfort and productivity, leading to a more successful production.

BIOHAZARD AND INFECTION CONTROL CLEANING: MASTERS OF SAFETY AND SENSITIVITY

Safety Beyond Price

When things spiral out of control, safety takes precedence, and it's time to bring in the experts. At BD365 Clean, we excel in managing high-risk, traumatic, and sensitive biohazard cleaning scenarios. Our seasoned professionals specialise in handling these situations with the utmost care and professionalism.

Our services extend beyond biohazard cleaning, encompassing hoarding and decluttering services, post-accident and trauma cleanups, unattended death cleanup, comprehensive needle sweeps, and proactive infection control prevention cleaning. With a team of fully trained staff, we tackle each situation with the expertise it demands.

Needle Sweeps: Starting from £87

Fogging Services: Starting from £78

Choose BD365 Clean for unmatched safety and sensitivity in handling challenging situations. Your peace of mind is our priority.

YOUR PRODUCTION PARTNER

When you choose BD365 Clean, you're not just selecting a cleaning service; you're enlisting a team of seasoned professionals who have tackled it all. From meticulously cleaning dressing rooms to preserving prop storage, conducting biohazard needle sweeps with nationwide coverage, to ensuring that even the most minor details like toilet rolls and tea and coffee are available on set - we handle it all.

We embrace the challenges of managing cast and crew holding venues, dressing rooms, costume storage, and serviced accommodation units so you can focus on the creative magic of filmmaking.

What sets BD365 Clean apart is our expertise and unwavering commitment to your convenience and peace of mind. Our nationwide coverage means that whether your production is set in the bustling streets of London, the serene landscapes of Scotland, or anywhere in between, we are just a call away. We understand the fast-paced nature of the entertainment industry, so we offer a rapid response service. When you need us, we'll be there as soon as possible, ensuring your production stays on track and on schedule.
