ABIONE TRAVEL Referral Program

How the Referral Reward Works
We keep it simple, generous, and joy-filled.

Eligibility:

1. You must be an ABIONE Travel client (past or present).
2. Your referral must mention your full name at the time of booking.
3. Referral must be a first-time ABIONE client.
4. Referral must complete full payment for a trip with a minimum value of \$2,500.

Reward Options

Once your referral's trip is fully paid and confirmed, you choose your reward:

Referral Trip Value	Your Reward
\$2,500 – \$4,999	\$50
\$5,000 – \$7,499	\$75
\$7,500 and up	\$100 or an ABIONE VIP Package Upgrade

Choose your reward format:

1. Zelle transfer
2. Discount toward your next ABIONE adventure

For Transparency: Terms & Safeguards

Payout Timing: Rewards are issued only after the referred client has paid in full and passed the refund/cancellation period (usually 30 days prior to travel).

Referral Limit: We reserve the right to cap rewards at 5 referrals per person per year (because abundance should be sustainable).

Tracking: We track every referral on our internal system to make sure you're properly credited and celebrated.

Bonus Option: You may choose to split the reward with your referral (i.e., a mutual thank-you!), but this is optional and flexible based on your preferences.

Spread the Joy

Love your ABIONE experience? Help us spread the wanderlust!
Refer your friends, family, and fellow dreamers to ABIONE Travel.
When they book and pay in full, we'll thank you with a gift of up to \$100—because connection is everything, and at ABIONE, we believe in oneness through travel.

With Grateful Heart,

Abigail
