Showcase Exhibitor Opportunity

Be Part of the Beginning

The Dream Living Home Show, produced by Home For The Holidays Gift Markets, is launching in 2027 as we celebrate our 20th anniversary. We're bringing 20 years of experience producing successful consumer events to a brand-new home and lifestyle show in the Houston/Katy area.

We believe people don't attend a home show simply because they need a new roof, flooring, or kitchen. They come because they dream of loving where they live. Dream Living is designed to inspire homeowners with ideas for remodeling, decorating, outdoor living, landscaping, pools, furniture, home services, and more, and then connect them with the businesses that can make those dreams happen.

We are carefully selecting exhibitors and creating an experience that encourages homeowners to stop, explore, ask questions, and connect with businesses. Be part of the first Dream Living Home Show. Reserve your booth early and get in on the ground floor of something we believe has tremendous potential.
