

Pattern 10:

Ride One Lead One

This class will count towards the Coyote Crossing high point awards, but does not count towards the IMTCA worldwide high point awards. The horse that is being ridden is the one that will be receiving the points for the horse and rider partnership.

1. Signal to the judge the start of your pattern
2. Walk over the trestle bridge going towards the cow pastures.
3. Trot over the wave going towards the cow pastures.
4. Walk through the cross logs going towards the trees.
5. Trot through the pond going towards the viewing stand.
6. Walk over the swinging bridge going towards the pond.
7. Walk through the trench counter clockwise.
8. Walk onto and over the large box, getting at least two feet of each horse to step on the box.
9. Walk through the water box.
10. Signal to the judge the end of your pattern.
