

Pattern 8:

Open Level 2 Riding & In-Hand

If you are showing a gaited horse then you should move in their gait instead of trotting where it says trot.

1. Signal to the judge the start of your pattern.
2. Walk over the water box going towards the barns.
3. Trot to the swinging bridge. Walk over the swinging bridge going towards the pond.
4. Walk to the side pass log next to the wave. Side pass right over the log.
5. Trot to the trench. Trot through the trench going clockwise.
6. Trot to the narrow balance beam. Walk over the narrow balance beam going towards the large arena.
7. Trot through the pond going towards the water box. In-Hand: send your horse around the rock at a walk.
8. Trot to the teeter totter. Walk onto the teeter totter going towards the cake box.
9. Trot to the logs. Walk over the logs going towards the trees.
10. Walk to the little bridge. Walk over the little bridge.
11. Walk to the rolling bridge. Walk over the rolling bridge from the low side.
12. Signal to the judge the end of your pattern.
