

## About ChmieBell Tours

*Where Every Journey Feels Like Family*

**ChmieBell Tours** is a family and veteran-owned business built on over 40 years of experience in creating unforgettable travel experiences.

Our story began with Patty's father, **Florian**, and the **Chmielewski Funtime Band**, traveling across the country and around the world, bringing people together through music, laughter, and shared experiences. That same spirit of connection and joy is the foundation of everything we do today.

When we took over the tour business, we knew we wanted it to reflect who we are — both personally and as a team. By combining our last names, **Chmielewski** and **Bell**, **ChmieBell Tours** was born (pronounced "Shimmy Bell") — a name that represents partnership, family, and a personal touch you won't find anywhere else.

### **A Personal Approach to Travel**

👉 We don't just plan tours — we personally host every single one.

Patty brings energy, excitement, and attention to every detail, while **Michael** offers a calm, steady presence that keeps everything running smoothly. Together, we create a balanced, welcoming environment where every guest feels seen, cared for, and included. From the moment you book to the moment you return home, we are with you every step of the way.

### **Thoughtfully Planned. Completely Seamless**

Every ChmieBell Tour is carefully designed to provide the *perfect mix* of:

- **Must-see highlights**
- **Unique, authentic experiences**
- **Time to relax and enjoy.**

We handle all the details — big and small — so you can travel with confidence knowing everything has been taken care of.

Because we personally manage every aspect of our tours, we're able to offer **exceptional value without sacrificing quality** — all while delivering experiences that feel effortless and stress-free.

### **More Than a Tour — It's a Community**

One of the most special parts of a ChmieBell Tour is the people you meet along the way. Our groups quickly become like family — sharing meals, experiences, laughter, and memories that last long after the trip ends. Many of our guests travel with us again, and it's easy to see why.
