2023 GRADUATE STAFFING PROGRAM

(A Membership-Based Program)

A Healing Hand Staffing Solutions

A Healing Hand STNA School has the resources and scale needed to help hospitals, medical practices and organizations across Northeast Ohio efficiently manage State Tested Nursing Assistant (STNA) staffing challenges in a wide variety of medical specialties.

Our goal is to build relationships with our clients through our commitment to providing your company access to our more than 150 graduates. This allows us to build the strongest possible relationship to ensure your talent needs are met today and tomorrow.

That pledge to building personal partnerships is the anchor of our “Community Approach” strategy, which has helped make us a leader in the healthcare space for many years.

Need Immediate Coverage?

Whether you need immediate coverage, long-term support, short-term vacation coverage or anything in between, our staffing solutions through our Graduate Staffing Program are to help you!

Our Graduates Are Ready

With the healthcare industry facing staffing challenges in all disciplines, we understand the challenges of securing human capital including, but not limited to recruiting, hiring, training, and promoting. The challenge right now in healthcare is to consistently locate trained STNA staff that is committed, well trained and ready to begin their careers with excitement to serve the many clients that require assistance. Our students are prepared to meet your needs upon graduation.
