WOMEN IN LONGVIEW DAY

A Day Dedicated to the Women of Longview

P. O. Box 161 Longview, TX 75606

November 18, 2026

Dear Community Partner,

Since its founding in 1984, Women in Longview has worked to encourage, inform, support, and motivate women in our community. Each spring, we bring that mission to life through Women in Longview Day—an annual event that also awards scholarships to graduating high school seniors and adult women returning to college.

We invite you to help make this event and its scholarship program possible. Sponsorships underwrite the cost of Women in Longview Day, while scholarship donations help students and returning adult learners pursue their educational goals. Every dollar donated for scholarships goes directly to recipients. Applicants are carefully reviewed through a dedicated selection process, helping ensure support reaches deserving students.

The 2027 Women in Longview Day will be held on March 25, 2027, at the Holiday Inn Infinity Center in Longview. Typically welcoming up to 300 attendees, the day offers opportunities to learn, network, shop, and connect through informative seminars, vendors, lunch, a keynote presentation, and scholarship awards. Our 2027 keynote speaker will be Survivor contestant Holly Hoffman. It was said, “Holly was absolutely phenomenal! She captivated our audience from beginning to end, bringing the perfect combination of laughter, inspiration, and powerful takeaways that truly resonated with our attendees.”

Your support can make a meaningful difference. By becoming a sponsor, you help create an uplifting, engaging event for women across our community. By contributing to the scholarship fund, you invest directly in the educational aspirations and futures of local women. We would be grateful for your consideration of either—or both—opportunities.

Please see the enclosed Sponsorship/Scholarship Contract for available ways to participate. To discuss sponsorship or scholarship support, contact me at 903-746-3439 or dksharp@yahoo.com. We also welcome you to visit womeninlongview.org and connect with us on Facebook.

Thank you for considering an investment in Women in Longview Day and the women it serves. We hope you’ll join us in making the 2027 event a success and helping local students move toward their educational goals.

Sincerely,

Donna Sharp
