# Women In Longview

P.O. Box 161  
LONGVIEW, TEXAS 75606

December 13, 2021

Women in Longview invite you or your organization to participate in Women in Longview Day Thursday, March 24, 2022, at the Belcher Performing Arts Center on the LeTourneau University campus. This celebration of women will provide opportunities to learn, network, shop, fellowship, and be inspired! Participants may shop, attend an interesting seminar, and enjoy an excellent lunch and entertainment, along with the presentation of scholarships to further the education of women in our community.

Talented vocalist Amanda Thompson will provide a program tracing through music the emergence of women as important forces in the development of this country. This mother of two young children has for fifteen years been sharing her gift with audiences in East Texas and beyond. She is currently a Pre-K teacher at the Learning Center in Longview.

Organizers expect two-hundred-fifty participants of diverse ages, backgrounds, and interests. Many are career women in fields such as education, counseling, sales, medicine, administration, communication, and finance. Others are homemakers, stay-at-home mothers, and retirees. We welcome men and women alike to join us for lunch.

Women in Longview Day offers a variety of marketing and sponsorship opportunities. You may contact Donna Sharp at [dksharp@yahoo.com](mailto:dksharp@yahoo.com) for information about vendor opportunities in the WILD Marketplace. Vendor fees for the Marketplace are \$150 for commercial organizations and \$100 for non-profit organizations.

Several levels of sponsorship are available for consideration, as well as scholarship opportunities. Additionally, we are happy to reserve a table for each group of eight tickets purchased. Open seating is available for those not wishing to reserve a table. On the enclosed form you will find further information and places to designate your choices. For sponsorships, scholarships, and reserved tables, please contact Cynthia Gates at [cmgates53@gmail.com](mailto:cmgates53@gmail.com).

Income from the day's activities is used to produce this annual event and to fund scholarships for high school seniors and adult women returning to college.
