

# Next Step

## Financial Workshop for Teens

Next Step is a fun, dynamic and engaging workshop series that will launch young adults ages 14 and up toward financial freedom. During this energetic 1 or 2 day program attendees develop money management and life skills that will empower them to take the next step in life.

The Next Step financial workshop consists of a series of fun and educational workshops design motivate and peak the interest of youth as to what it take to leave as adult. The camp will take an in-depth look into how to approach finances that will help launch young adults toward financial independence during their early years. Students will participate in hands-on activities, workshops and financial games.

During the camp students will review financial modules that include topics such as:

- Budgeting
- Managing a checking & Savings account
- Credit Card Math
- Car buying & Insurance 101
- Apartment Hunting –*Living on your own*
