

# Smart Money Moves for Young Adults

Is a fun, dynamic and engaging five module financial series that will help launch young adults' toward financial independence during their early years and beyond. This energetic program is designed to help attendees develop money management and life skills that will empower them with what it takes to achieve financial freedom.

The workshop will also take an in-depth look into how credit works, account management, living on your own, budgeting, and purchasing a car and more!

During the sessions camp students will review financial modules that include topics such as:

- Budgeting
- Managing a checking & Savings account
- Credit Card Math
- Car buying & Insurance 101
- Apartment Hunting –*Living on your own*
