

Talent Folks

Talent Folks is a recruitment company uniquely specializing in **Pre-screened and Ready-for-Interview talent pool** in cutting-edge technologies like Big Data, Data Science, Data analytics, and finance.

We are relentlessly working towards modernizing **Hiring and HR Solutions**. We take pride in matching your culture with the people's characteristic patterns. We specialize in an **Exclusive Hiring Experience** to ensure that you get the best line-up of the talent pool pre-screened for your requirements. We are obsessed with our Selection and Screening process to help you **expedite the overall hiring cycle**.

Our Co-Founders [Ritu Mehta](#) and [Vaishalee Ambavale](#) bring extensive experience in hiring and technology domains. We are uniquely well-positioned to help address all of your talent needs by leveraging our know-how, relationships, and service capabilities.

There is a dire need to give businesses the ability to **auto-scale** the Engineering team as needed. We provide flexible & cost-effective outsourcing strategies for startups, midsize businesses, & large enterprises. **Resource Augmentation** can save you a lot of time & money by eliminating the lengthy & cumbersome hiring process.

With the **Career Coaching Conversations** program, we enable seamless conversations between your teams. Un-learning, re-learning, and doing that consistently are the key differentiators that will ensure thriving careers. Our experts act as catalysts for building high-performing teams by providing required coaching and support.

Our **Employee+ program** offers a powerful combination of combining wellbeing and engagement. Organizations work most productively for sustained periods when there is a high level of employee engagement and wellbeing. We bring you customized employee wellness solutions curated to meet your specific goals and challenges.

At Talent Folks, we are passionate about creating a significant impact on the lives of our clients, candidates, and customers alike.
