

# Covid 19 Form

Please stay home and reschedule if:

- 1) You have been out of the province in the last 2 weeks
- 2) You are feeling unwell i.e cough, sore throat, body aches, runny nose, fever...
- 3) Been in contact with anyone who has had covid 19 in the past 2 weeks

When shopping/picking up your dress:

- 1) You will be asked to wash/sanitize your hands when you arrive in the store.
- 2) We are only open to private appointments at this time -- please bring no more than 2 guests with you!!
- 3) We will do the shopping/browsing for you -- you are welcome to join us/follow us around. We are trying to limit the amount of people touching the gowns, veils & accessories!
- 4) We strongly recommend that you do not bring your baby/child to your appointment (they will count as your guest). If you do decide to bring your baby/child they must be supervised at ALL times by you or your other guest! Unfortunately, at this time they will not be allowed to wander around the store, they must be with you/your guest at all times - our staff will not be responsible for watching them.
- 5) Masks are not mandatory and we will not be supplying them. However, please feel free to bring and wear your own! We are leaving it up to the staff as to whether they want to wear them or not. Please advise us if you are more comfortable with your consultant wearing a mask and we will do our best to accommodate you!

Our goal is to still try and give you the best experience possible while keeping you , your families and our staff safe at this time!

We look forward to helping you find the perfect dress for you!
