

Engineers Club

Of Des Moines

Membership Application

The Engineers Club of Des Moines has for 100 years provided those interested in the advancement of engineering, architecture and the applied sciences a continuing forum for learning and fellowship with other professionals.

In operation since 1918, the Club's members have been the innovative pioneers who have helped shape our city. Members have included licensed professional engineers, land surveyors, architects, technicians, and those interested in acquiring additional knowledge of engineering matters. Support of our Club and its goals is shown through your attendance of our monthly meetings.

Please print this form, fill out, and mail with a check for \$30.00 payable to ECDM to:

Engineers Club of Des Moines
Curt Klaassen, Treasurer
28049 Timber Valley Ln
