Exterior Painting

Is your home looking a little tired around the edges? Whether its surfaces need a light refreshing or a total transformation, our exterior services will preserve, protect, and beautify your siding, deck, or fence.

PERFECT REASONS FOR PAINTING

SG Pro Painting will explain the reasons of why you should consider painting your home or office. Not only does it increase your property value and curb-appeal, but can protect your property and update your style.

- Increase Property Value**
Fresh paint can increase your property's value by 10%.

Keep Moisture Out
Quality exterior paint helps protect against moisture damage.

Boost Curb Appeal
New paint makes your property look fresh and vibrant.

Enjoy Extended Paint Life
New types of paint do not need frequent touch-ups.

Hide Exterior Flaws
Paint can cover stains and minor damage.

Make your Siding and Trim Last Longer
Painting helps seal wood against pests and weather.

VALERIE V.

Interior, Maintenance

We had SG Pro Painting out to our home to paint our kitchen ceiling and to do a bunch of touch up painting. They were prompt, worked quickly and were very reasonably priced. We felt they did such a good job we have already scheduled them to do some painting that will need to be done at our house in a couple weeks. Great, professional painters! Would definitely recommend them.
