STANDING FIGURE
BRONZE, CONCRETE 2023
56,4,4
£500

- For the last few years I have been exploring the figure, abstracting it to its liminal limits, never knowing if I have gone to far but waiting for the moment until it speaks to me of something pure, of a delineated absence, of what's been left behind...

CEARO
GLAZED PORCELAIN 2023
18,11,10
£175. SOLD

- This is a small porcelain piece I made at the end of last year in 2023. The title Cearo translates as sorrow and was made during a period of deep reverie.

THE DISTANCE BETWEEN US
PORCELAIN, GLASS 2021
FIGURE - 10,6,4
£230

- This small work was made during lockdown, a time of isolation and distancing. As an extremely tactile person, I found this deeply distressing and so clay became even more of a refuge, a point of contact, of holding and touching.
