

color guide

QUARTZ achieves functional resilience in the harshest flooring environments. With a selection of over 40 colors and signature blends, QUARTZ is also available in both broadcast and trowel grades and can be custom blended to meet project specifications.

QUARTZ is best in high-traffic environments where durability is priority. The natural coarse texture of QUARTZ can be used to add anti-skid and anti-slip properties to resinous flooring systems.

product information

functional resilience

QUARTZ flooring aggregate is used to protect and enhance the durability of high-performance flooring systems while maintaining superior chemical and abrasion resistance. The texture of QUARTZ can also be used to provide varying levels of anti-slip protection.

hygienic and seamless protection

Resinous and high-performance flooring systems create seamless surfaces that are extremely durable and easy to maintain. The non-porous surface makes spills easy to clean and provides superior protection against the growth of mold and bacteria compared to tile and grout options.

design options

For everyday spaces, choose from our extensive collection of professionally designed color patterns.

For special projects, open the door to new possibilities and custom design QUARTZ patterns from a selection of over 40 solid colors and 2 size options.

QUARTZ floor system illustration

For best results, a clear topcoat is recommended to fully encapsulate the QUARTZ and provide a durable wearing surface.

benefits of QUARTZ flooring systems

DURABLE

Superior colorfastness, chemical, abrasion, and impact resistance for the most extreme heavy-duty environments.

DECORATIVE

Enhance your high-performance flooring by adding custom color and texture to complement any decor.

ECONOMICAL

QUARTZ provides a cost-effective flooring solution with extraordinary resilience under the most demanding conditions.

SAFE

QUARTZ provides resinous flooring with an excellent slip resistance to prevent slip and fall injuries and liability.

HYGIENIC

The seamless finish of resinous flooring creates an easy to clean surface and prevents the buildup of dirt, moisture, and bacteria.

CUSTOM

A wide range of color and size options provides a multitude of design possibilities to suit any environment.

RENEWABLE

Resinous floors can easily be revitalized after years of use by sanding the surface and applying a new topcoat.
