- We aim to book new clients their first session within a few weeks of making contact, and can sometimes accommodate earlier.
- We take care to allocate you to the clinician that will best suit your needs. Clinician bios can be found on our website [www.collectedminds.com.au](http://www.collectedminds.com.au). All clinicians operate by Google Meet, Zoom, or phone if preferred.

### Our mental health GPs

We have two rural GPs on our team, Dr Laura Carter and Dr Krystal Green, available to provide mental health consultations for Collected Minds clients. If needed, bookings can be made with Dr Carter or Dr Green to prepare your GP mental health treatment plan, seek a referral or re-referral to our service, and for medical and lifestyle management of mental health concerns. Please contact our admin team for more information.
