

WESTERN NEW YORK WATER WORKS CONFERENCE

www.wnywwc.org

MEMBERSHIP APPLICATION

OBJECTIVES: To foster strong relationships with water/wastewater operators in our region and support the advancement of knowledge in public water supply. We will hold regular workshops featuring guest speakers where members can discuss and share ideas on issues impacting water supply and wastewater treatment in their communities.

UTILITY MEMBER: A person serving as an operator, superintendent, manager, or officer of a municipal or private water works; a civil, hydraulic, or sanitary engineer; chemist or bacteriologist; State or local health officer; or a representative of a regulatory body overseeing water supply. This category also includes any qualified individual providing services to the water/wastewater industry.

ASSOCIATE MEMBER: An individual representing a manufacturer or corporation that provides materials or supplies for the construction, operation, and maintenance of water works; a consultant in engineering, public health, or advisory roles related to water supply or wastewater treatment; or any person offering services to the water or wastewater industry.

MEMBERSHIP RENEWAL: Membership is renewed annually, with paid dues, each January 1st. While you can join at any time during the year, **membership runs from January 1 to December 31.** Upon registering for membership, full payment of dues is required for the remainder of the current calendar year. The dues will then be paid again on January 1 of the following year. To remain in good standing, members must ensure their dues are paid and not delinquent for more than six months.

ANNUAL DUES: Utility Members: \$10.00. Associate Membership: \$30.00 for the principal member of any manufacturer or firm, and \$10.00 for each additional member from the same firm.
