A&S COMPLETE SERVICES CAPABILITY STATEMENT

ABOUT US

A & S Complete Services was founded on the principle of **excellence through service**. The firm's staff have a collective 25 years of experience in commercial, residential and construction cleaning services. The company was founded by Sandra Claridy-Simpson, a retired Army veteran, with the sole purpose to provide the same level of services she oversaw while on duty serving the United States.

Also, Sandra Claridy- Simpson's goal is to hire and train more labor in North & Central Florida to meet the growing demand for commercial and construction cleaning, and full service facility maintenance.

CUSTOMER TESTIMONIAL

A&S Complete Service's professionalism, quality service, positive attitude and diligence in satisfactory job completion really impressed me.

In all my years of experience managing for a company with over 700, I have seen a few cleaning companies with good qualities. It is extremely hard to find reliable, cost efficient, and quality cleaners that maintain performance daily. However, I have experienced that unparalleled consistency with A&S Complete Services.
